Good evening,

Master Sergeant Helton has transferred to District 9 patrol and I am running the canine section at this time. I witnessed the short bite work test that Duke went through when he came back from the injury. Duke was back tied with Officer Boeving standing by Duke and M/Sgt Helton attempted to agitate Duke to engage his prey drive. Duke should have shown a dominant, aggressive behavior, and when presented with a bite pillow he should have bit it hard, deep, and not let go. Instead, Duke was afraid, timid, and released the bite to move behind Officer Boeving with minimal pressure by M/Sgt. Helton. This is unacceptable and he simply does not have the traits to be a full service police canine.

Respectfully,

Trooper Patrick Van HovelN

## POLICE:

**A. OLD BUSINESS:** None.

## B. NEW BUSINESS:

1. Review of Fees for False Alarms: Tabled until next month so the committee can discuss with Chief Donald.

2. Expansion of Outdoor Tornado Siren to SAVE Site: ESDA Coordinator Gene Kramer provided information to add an additional tornado siren at the SAVE site. Federal Signal conducted the survey and all of the associated work at no cost to us. They have suggested we add an DC Omni Siren at a cost of \$13,050.68. The DC siren has a battery backup which gives us the advantage of no down time during a power failure. Both Tony and John battery backup option. Gene stated when the other sirens were installed in 1975, AC was the only option available. When we replace any sirens from now on, Gene would like to use the DC ones. Tony advised we are going to add siren replacement to the 3-to-5- year plan. Trustee Trout asked about the warranty on the batteries, and Gene said the marine batteries are 5-8 years. Gene advised this siren will cover Rock Hill Lane, Turkey Hill Lane, Save Site, Covered Bridge and Parrish Trucking areas. Trustee Trout asked if there are any grants available for public safety. Gene said since we are below 10,000 in population, we are classified as rural. He is checking with the U.S. Agriculture Rural Dept., to see what's available.

*Trustee Mike Blaies motioned to recommend to the full Board we purchase an Omni DC Siren at a cost of \$13,050.68 at the SAVE Site location and Trustee Dean Pruett seconded the motion. All voting yea, the motion carried.*

Gene would like to have to Board's permission to go from two community storm shelters down to one. His data has shown zero attendance at the high school. He would still like to keep it for an evacuation shelter. Gene will get Julie the information to update on website.
