VILLAGE ATTORNEY
Stephen R. Wigginton

CALL TO ORDER: Acting Mayor Rita Baker called the Regular Board Meeting to order at 7:30 p.m., on Monday, May 17, 2010 in the Freeburg Municipal Board Room.

PLEDGE OF ALLEGIANCE: Those present and Board Members recited the Pledge of Allegiance.

ROLL CALL: Trustee Charlie Mattern – here; Trustee Steve Smith – here; Trustee Rita Baker – here; Trustee Corby Valentine – here; Trustee Tony Miller – here; Trustee Seth Speiser – here and Mayor Raymond Danford – absent; (6 present, 1 absent). Acting Mayor Rita Baker announced there is a quorum.

MINUTES OF PREVIOUS MEETING: *Trustee Steve Smith motioned to approve the minutes of Monday, May 3, 2010 and Trustee Tony Miller seconded the motion. All voting aye, the motion carried.*

FINANCE: Trustee Smith said he has nothing tonight on finance, but he would like to go ahead and talk about the Economic Development Committee meeting.

Economic Development Committee

1. Summer Event: Trustee Smith said for the summer event we decided to show the movie “Up” on July 17th, then on July 31st, we’ll show the movie “Blind Side.” We are going to sell hot dogs, soda, water and popcorn and the proceeds will go to Christmas Lighting Event.

TREASURER'S REPORT: None.

ATTORNEY'S REPORT: None.

ESDA REPORT: Acting Mayor Baker read the ESDA Report that Gene Kramer sent over.

PUBLIC PARTICIPATION: None.

REPORTS AND CORRESPONDENCE: Acting Mayor Baker said we have a request from Lighthouse Learning Center to use the park for their graduation ceremony on Friday, May 21st which will take place around noon.

Trustee Corby Valentine motioned to grant permission to the Lighthouse Learning Center to use the park for their graduation ceremony on Friday, May 21st and Trustee Steve Smith seconded the motion. All voting aye, the motion carried.

Acting Mayor Baker said the next request is from Churches United for Freeburg and they would like to have permission to use the Village Park every Sunday evening in the month of June for Concerts in the Park.

Trustee Tony Miller motioned to grant permission to the Churches United for Freeburg to use the park for Concerts in the Park Program every Sunday evening in the month of June and Trustee Steve Smith seconded the motion. All voting aye, motion carried.

Acting Mayor Baker said we also have a request from Locklar-Smith American Legion Post 550 to have permission to use the Village Park on Saturday, May 29, 2010 to place the crosses and May 31, 2010 for their Memorial Day Ceremony. There will not be a parade this year.

Trustee Tony Miller motioned to grant permission to Locklar-Smith American Legion Post 550 to use the Village Park on Saturday, May 29, 2010 to place crosses in memory of our fallen comrades and Monday, May 31st for their Memorial Day Ceremony and Trustee Corby Valentine seconded the motion. All voting aye, the motion carried.

RECOMMENDATIONS OF BOARDS AND COMMISSIONS: None.

CONTRACTS, RELEASES, AGREEMENTS AND ANNEXATIONS: None.

BIDS: None.

RESOLUTIONS: None.

ORDINANCES: Acting Mayor Rita Baker said next on the agenda is Ordinance No 1353, An Ordinance Amending Title III, Chapter 32 of the Revised Code. Acting Mayor Baker said this is an ordinance that will go into effect June 1, 2010 for employees to maintain their place of residence within a six miles boundary of the Freeburg High School #77 School District. A discussion was held before deciding to vote on Ordinance No. 1353. It was decided to table this ordinance until further notice.

OLD BUSINESS: None.

NEW BUSINESS: Trustee Smith said he is going to work on a new application for a Safe Route to School grant. Trustee Smith asked Dennis to get him an assessment of how much it would cost to put in a crosswalk button at Oak Brook and State Street. Dennis said he invited the engineers to attend the meeting tomorrow night to talk about this. Trustee Smith said we are also going to need pictures of that intersection at rush hour.

Trustee Smith said he was contacted by Brad Townsend from Northern Illinois University. He would like to do a follow-up on the IMAP Study and meet with everybody to get our feedback from what we felt what was good about the study. He gave me some dates when he would be in this area.

Trustee Smith said he would like to have a Committee as a Whole Meeting to discuss the development direction of the village. He would like to have everybody's input on this and at the same time get everyone's thoughts on what direction you want the village to go. Acting Mayor Baker asked when he would like this meeting to be held and Trustee Smith said June 21st at 6:30 p.m.

APPOINTMENTS: None.

COMMITTEE MEETINGS MINUTES:

Legal & Ordinance Committee Meeting: Trustee Seth Speiser called the Legal and Ordinance Committee Meeting to order on Wednesday, May 5, 2010 at 4:30 p.m.

1. Community Improvement Board/Material Requirements on Commercial Building: Trustee Speiser said we talked about the Economic Development Committee giving us their input on the material requirements on commercial buildings. We decided they should be full masonry on the side that faces the street. Dennis is getting an ordinance written for this. We also agreed with the Economic

Development Committee's recommendation on the nuisance abatement code and also requiring permits on commercial building upgrades.

2. New Class of Business License: Trustee Speiser said we are still looking into a special class of business license but there hasn't been anything done on that as of right now.

Personnel & Public Safety Committee Meeting: Trustee Rita Baker called the Personnel and Public Safety Committee Meeting to order on Wednesday, May 12, 2010 at 5:30 p.m.

1. Police Contract: Trustee Baker said we haven't moved anywhere on the police contract.
2. Decision of Board on charging for events: Trustee Baker said we took care of this at the last board meeting. The new policy is that any non-village function would have a \$50.00 per officer per hour charge, i.e. homecoming, relay for life, church picnic, high school games and grade school games, etc.

Acting Mayor Baker motioned to pay the amount of \$85.00 per officer for SILEC Training and Trustee Tony Miller seconded the motion. ROLL CALL: Acting Mayor Rita Baker – aye; Trustee Tony Miller - aye; Trustee Charlie Mattern - aye; Trustee Steve Smith – aye; Trustee Corby Valentine – aye; Trustee Seth Speiser – aye; (6 ayes, 0 nays, 0 absent). All voting aye, the motion carried.

3. Job Descriptions: Acting Mayor Baker said they talked about job descriptions. We will contact other municipalities to get job descriptions for some of the positions in their village.

**REGULAR BOARD MEETING
EXECUTIVE SESSION
7:50 P.M.**

Acting Mayor Baker motioned to go into Executive Session to discuss personnel, 5 ILCS, 120/2 - (c)(1)(a) and Trustee Steve Smith seconded the motion . ROLL CALL: Acting Mayor Rita Baker – aye; Trustee Steve Smith - aye; Trustee Seth Speiser - aye; Trustee Tony Miller – aye; Trustee Corby Valentine – aye; Trustee Charlie Mattern – aye; (6 ayes, 0 nays, 0 absent). All voting aye, the motion carried.

**EXECUTIVE SESSION ENDED
8:25 P.M.**

Mayor Ray Danford entered the board meeting during the Executive Session. He asked for a motion to reconvene the Regular Board Meeting.

Trustee Rita Baker motioned to reconvene the Regular Board Meeting at 8:27 p.m. and Trustee Steve Smith seconded the motion. All voting aye, the motion carried.

UPCOMING MEETINGS:

Streets Committee Meeting - Tuesday, May 18, 2010 - 5:30 p.m.
Water/Sewer Committee Meeting - Wednesday, May 26, 2010 - 4:30 p.m.
Public Hearing on Sewer Project - Wednesday, May 19, 2010 - 5:00 p.m.
Board of Appeals – Thursday, May 20, 2010 – 7:00 p.m.
CLOSED IN OBSERVANCE OF MEMORIAL DAY - Monday, May 31, 2010
Legal/ Ordinance Committee Meeting - Wednesday, June 2, 2010 - 4:30 p.m.
Finance Committee Meeting - Thursday, June 3, 2010 - 5:30 p.m.
Board Meeting – Monday, June 7, 2010 – 7:30 p.m.

VILLAGE PRESIDENTS AND TRUSTEE'S COMMENTS:

Trustee Charlie Mattern: None.

Trustee Steve Smith: No, thank you.

Trustee Rita Baker: Wish Ron well.

Village Clerk Jerry Menard: I also wish Ron well.

Trustee Corby Valentine: Wish Ron well.

Trustee Tony Miller: None.

Trustee Seth Speiser: None.

STAFF: None.

ADJOURN:

Trustee Rita Baker motioned to adjourn at 8:31 p.m. and Trustee Steve Smith seconded the motion. All voting aye, the motion carried.

Jerry Lynn Menard,
Village Clerk

2. Attorney Invoices: Steve asked if there is a way to recoup attorney fees on ordinance violations where the defendant has been found guilty. Julie will check with Dennis.

3. Health insurance renewal: Julie talked to Bill Schmaltz about joining with other municipalities in order to lower our health insurance premium. Bill said it would not be in our best interest to do that since the groups normally trying to join with other groups don't have a good risk pool and it would raise our premiums. Bill mentioned the state run health plan which Julie said she had already checked into and their premiums were much higher than what we are currently paying.

4. Bill Holtzmann: Julie said Bill had contacted Dennis wanting a copy of the sales agreement. He did have someone interested in his building for sale.

5. Compensation of Officials: Julie said Dennis needs to prepare the ordinance and will have it ready for the next Legal/Ordinance committee meeting.

F. NEW BUSINESS:

1. Appropriation Ordinance: Julie said Dennis prepared the appropriation ordinance the same way as in the past couple years where he raised the funds by 40%.

Trustee Corby Valentine motioned to recommend to the full Board the Appropriation Ordinance be scheduled for public hearing on June 17, 2010 at 7:15 p.m. for public review and Trustee Seth Speiser seconded the motion. All voting aye, the motion carried.

G. PUBLIC PARTICIPATION: None.

H. ADJOURN: *Trustee Corby Valentine motioned to adjourn the meeting at 5:52 p.m. and Trustee Seth Speiser seconded the motion. All voting aye, the motion carried.*

RESOLUTION NO. 10-05**A Resolution of the Board of Trustees of the Village of Freeburg, Illinois, Establishing the policy of the Village regarding permit requirements for alterations, repairs, or changes in use of commercial structures in the Village of Freeburg**

WHEREAS, the Board of Trustees of the Village of Freeburg, Illinois, has previously determined that it is in the best interest of the Village, and in the interest of public health and safety of the citizens of Freeburg, to adopt Chapter 7, Building Regulations of the Revised Code of Ordinance of the County of St. Clair, Illinois as the Building Code of the Village of Freeburg. and;

WHEREAS, Effective July 1, 2007, a certain document, one copy of which is on file in the office of the Zoning Administrator of the Village of Freeburg, being designated as Chapter 7, Building Regulations of the Revised Code of Ordinance of the County of St. Clair, Illinois was adopted as the Building Code of the Village of Freeburg and;

WHEREAS, it has previously been the policy of the Village to not require building permits for remodeling, alterations, or repairs to commercial buildings unless such activities increased the size of the structure and the Board of Trustees of the Village of Freeburg, Illinois, has determined that it is in the best interest of the Village, and in the interest of public health and safety of the citizens of Freeburg to change that policy,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF FREEBURG, ILLINOIS, THAT:

SECTION 1: The recitals set forth above hereby adopted are found to be true and correct and are incorporated by reference as if fully set forth herein.

SECTION 2: Henceforth, it shall be the policy of the Village of Freeburg to require permits for commercial construction in compliance with Section 105.1 of the International Building Code (2003) a copy of which is attached to and made a part hereof.

SECTION 3: All work activities listed in Section 105.2 of said code shall be exempt from permitting in Freeburg

SECTION 4: This Resolution shall be in full force and effect after its passage and approval as provided by law.

RESOLUTION NO. 10-05 cont.

ADOPTED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF FREEBURG,
ILLINOIS, THIS 7th DAY OF JUNE, 2010.

104.11 Alternative materials, design and methods of construction and equipment. The provisions of this code are not intended to prevent the installation of any material or to prohibit any design or method of construction not specifically prescribed by this code, provided that any such alternative has been approved. An alternative material, design or method of construction shall be approved where the building official finds that the proposed design is satisfactory and complies with the intent of the provisions of this code, and that the material, method or work offered is, for the purpose intended, at least the equivalent of that prescribed in this code in quality, strength, effectiveness, fire resistance, durability and safety.

104.11.1 Research reports. Supporting data, where necessary to assist in the approval of materials or assemblies not specifically provided for in this code, shall consist of valid research reports from approved sources.

104.11.2 Tests. Whenever there is insufficient evidence of compliance with the provisions of this code, or evidence that a material or method does not conform to the requirements of this code, or in order to substantiate claims for alternative materials or methods, the building official shall have the authority to require tests as evidence of compliance to be made at no expense to the jurisdiction. Test methods shall be as specified in this code or by other recognized test standards. In the absence of recognized and accepted test methods, the building official shall approve the testing procedures. Tests shall be performed by an approved agency. Reports of such tests shall be retained by the building official for the period required for retention of public records.

SECTION 105 PERMITS

105.1 Required. Any owner or authorized agent who intends to construct, enlarge, alter, repair, move, demolish, or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical or plumbing system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required permit.

105.1.1 Annual permit. In lieu of an individual permit for each alteration to an already approved electrical, gas, mechanical or plumbing installation, the building official is authorized to issue an annual permit upon application therefor to any person, firm or corporation regularly employing one or more qualified tradespersons in the building, structure or on the premises owned or operated by the applicant for the permit.

105.1.2 Annual permit records. The person to whom an annual permit is issued shall keep a detailed record of alterations made under such annual permit. The building official shall have access to such records at all times or such records shall be filed with the building official as designated.

105.2 Work exempt from permit. Exemptions from permit requirements of this code shall not be deemed to grant authori-

zation for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction. Permits shall not be required for the following:

Building:

1. One-story detached accessory structures used as tool and storage sheds, playhouses and similar uses, provided the floor area does not exceed 120 square feet (11.15 m²).
2. Fences not over 6 feet (1829 mm) high.
3. Oil derricks.
4. Retaining walls which are not over 4 feet (1219 mm) in height measured from the bottom of the footing to the top of the wall, unless supporting a surcharge or impounding Class I, II or III-A liquids.
5. Water tanks supported directly on grade if the capacity does not exceed 5,000 gallons (18 925 L) and the ratio of height to diameter or width does not exceed 2 to 1.
6. Sidewalks and driveways not more than 30 inches (762 mm) above grade and not over any basement or story below and which are not part of an accessible route.
7. Painting, papering, tiling, carpeting, cabinets, counter tops and similar finish work.
8. Temporary motion picture, television and theater stage sets and scenery.
9. Prefabricated swimming pools accessory to a Group R-3 occupancy, as applicable in Section 101.2, which are less than 24 inches (610 mm) deep, do not exceed 5,000 gallons (18 925 L) and are installed entirely above ground.
10. Shade cloth structures constructed for nursery or agricultural purposes and not including service systems.
11. Swings and other playground equipment accessory to detached one- and two-family dwellings.
12. Window awnings supported by an exterior wall which do not project more than 54 inches (1372 mm) from the exterior wall and do not require additional support of Group R-3, as applicable in Section 101.2, and Group U occupancies.
13. Movable cases, counters and partitions not over 5 feet 9 inches (1753 mm) in height.

Electrical:

Repairs and maintenance: Minor repair work, including the replacement of lamps or the connection of approved portable electrical equipment to approved permanently installed receptacles.

Radio and television transmitting stations: The provisions of this code shall not apply to electrical equipment used for radio and television transmissions, but do apply to equipment and wiring for power supply, the installations of towers and antennas.

Temporary testing systems: A permit shall not be required for the installation of any temporary system re-

quired for the testing or servicing of electrical equipment or apparatus.

Gas:

1. Portable heating appliance.
2. Replacement of any minor part that does not alter approval of equipment or make such equipment unsafe.

Mechanical:

1. Portable heating appliance.
2. Portable ventilation equipment.
3. Portable cooling unit.
4. Steam, hot or chilled water piping within any heating or cooling equipment regulated by this code.
5. Replacement of any part which does not alter its approval or make it unsafe.
6. Portable evaporative cooler.
7. Self-contained refrigeration system containing 10 pounds (4.54 kg) or less of refrigerant and actuated by motors of 1 horsepower (746 W) or less.

Plumbing:

1. The stopping of leaks in drains, water, soil, waste or vent pipe provided, however, that if any concealed trap, drain pipe, water, soil, waste or vent pipe becomes defective and it becomes necessary to remove and replace the same with new material, such work shall be considered as new work and a permit shall be obtained and inspection made as provided in this code.
2. The clearing of stoppages or the repairing of leaks in pipes, valves or fixtures, and the removal and reinstallation of water closets, provided such repairs do not involve or require the replacement or rearrangement of valves, pipes or fixtures.

105.2.1 Emergency repairs. Where equipment replacements and repairs must be performed in an emergency situation, the permit application shall be submitted within the next working business day to the building official.

105.2.2 Repairs. Application or notice to the building official is not required for ordinary repairs to structures, replacement of lamps or the connection of approved portable electrical equipment to approved permanently installed receptacles. Such repairs shall not include the cutting away of any wall, partition or portion thereof, the removal or cutting of any structural beam or load-bearing support, or the removal or change of any required means of egress, or rearrangement of parts of a structure affecting the egress requirements; nor shall ordinary repairs include addition to, alteration of, replacement or relocation of any standpipe, water supply, sewer, drainage, drain leader, gas, soil, waste, vent or similar piping, electric wiring or mechanical or other work affecting public health or general safety.

105.2.3 Public service agencies. A permit shall not be required for the installation, alteration or repair of generation, transmission, distribution or metering or other related equipment that is under the ownership and control of public service agencies by established right.

105.3 Application for permit. To obtain a permit, the applicant shall first file an application therefor in writing on a form furnished by the department of building safety for that purpose. Such application shall:

1. Identify and describe the work to be covered by the permit for which application is made.
2. Describe the land on which the proposed work is to be done by legal description, street address or similar description that will readily identify and definitely locate the proposed building or work.
3. Indicate the use and occupancy for which the proposed work is intended.
4. Be accompanied by construction documents and other information as required in Section 106.3.
5. State the valuation of the proposed work.
6. Be signed by the applicant, or the applicant's authorized agent.
7. Give such other data and information as required by the building official.

105.3.1 Action on application. The building official shall examine or cause to be examined applications for permits and amendments thereto within a reasonable time after filing. If the application or the construction documents do not conform to the requirements of pertinent laws, the building official shall reject such application in writing, stating the reasons therefor. If the building official is satisfied that the proposed work conforms to the requirements of this code and laws and ordinances applicable thereto, the building official shall issue a permit therefor as soon as practicable.

105.3.2 Time limitation of application. An application for a permit for any proposed work shall be deemed to have been abandoned 180 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued; except that the building official is authorized to grant one or more extensions of time for additional periods not exceeding 90 days each. The extension shall be requested in writing and justifiable cause demonstrated.

105.4 Validity of permit. The issuance or granting of a permit shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of this code or of any other ordinance of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances of the jurisdiction shall not be valid. The issuance of a permit based on construction documents and other data shall not prevent the building official from requiring the correction of errors in the construction documents and other data. The building official is also authorized to prevent occupancy or use of a structure where in violation of this code or of any other ordinances of this jurisdiction.

105.5 Expiration. Every permit issued shall become invalid unless the work on the site authorized by such permit is commenced within 180 days after its issuance, or if the work authorized on the site by such permit is suspended or abandoned for a period of 180 days after the time the work is commenced. The building official is authorized to grant, in writing, one or more extensions of time, for periods not more than 180 days each.

ORDINANCE NO. 1354

AN ORDINANCE AMENDING TITLE III, CHAPTER 32 OF THE REVISED
CODE OF THE VILLAGE OF FREEBURG, ST. CLAIR
COUNTY, ILLINOIS (Personnel Policies)

BE IT ORDAINED BY THE VILLAGE PRESIDENT AND VILLAGE BOARD OF

151.141	Suspension of permit
151.142	Revocation of permit
151.999	Penalty

GENERAL PROVISIONS

§ 151.001 ESTABLISHMENT. This code establishes the minimum requirements for the initial and continued occupancy and use of all structures and premises, but does not replace or modify requirements otherwise established by prior codes, ordinances, the Housing Code and Building code, which may be additional or more stringent than the requirements set forth herein for the construction, repair, alteration or use of structures, equipment or facilities.

§ 151.002 CODE ENFORCEMENT OFFICER.

- A. It shall be the duty and responsibility of the appointed Building and Zoning/Code Enforcement Administrator, hereinafter referred to as "Administrator," to enforce the provisions of the Nuisance Abatement Code as provided for herein.

- B. The Administrator shall have the following powers and duties under this code:
1. To enforce all the provisions of the Nuisance Abatement Code;
 2. To issue all necessary notices and orders to abate illegal or unsafe conditions in order to ensure compliance with the Nuisance Abatement Code for the safety, health and general welfare of the public;
 3. To enter any non-residential or residential structure at any reasonable time for the purpose of making inspections and performing duties as provided for under the Nuisance Abatement Code;
 4. To seek from a court of competent jurisdiction an order against an owner, occupant or other person in charge of a premises to cease and desist in refusing, impeding, inhibiting or obstructing the free access by the Administrator to any part of a structure wherein inspection is sought;
- C. Every occupant of a non-residential structure or a premises shall give the owner, his or her agent or employee access to any part of the structure or its premises at reasonable times for the purpose of making inspections and such repairs as are necessary to comply with the provisions of this code
- D. The Administrator or his or her authorized representative shall disclose proper credentials of his or her respective office for the purpose of entering into any structure for the purpose of inspecting any and all building and premises in the performance of his or her duties pursuant to this code.
- E. Inspection of all premises, the issuance of notices and orders resulting from inspections and the enforcement of this code shall be the responsibility of the Administrator. However, if, in the opinion of the Administrator initiating an inspection under this code, he or she deems it necessary or desirable to have inspections by other departments of the village, the Administrator shall make reasonable effort to arrange for the coordination of additional inspections so as to minimize the number of visits by inspectors. The Administrator shall confer with the other departments conducting inspections for the purpose of eliminating conflicting orders or citations before any are issued. No department conducting inspections shall delay the issuance of any emergency orders which it determines must be issued for the purpose of conducting such a conference with other departments.

UNSAFE STRUCTURES AND EQUIPMENT

§ 151.015 CONDEMNATION OF STRUCTURES.

- A. When any structure or part thereof is determined by the Administrator to be unsafe, or when a structure or part thereof is found unfit for human occupancy or use, or is found to be unlawful, it may be condemned pursuant to the provisions of this code and shall be posted with appropriate notice and vacated.
- B. It shall not be reoccupied without approval of the Administrator. Unsafe equipment located within a structure shall also be posted with appropriate notice and placed out of service upon posting.

§ 151.016 DEFINITIONS. For the purpose of this subchapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

EQUIPMENT. Equipment includes any boiler, heating unit, elevator, moving stairway, electrical wiring or device, air conditioning system, flammable liquid container or other type of equipment located within a structure or premises. Such equipment is unsafe when it is in such disrepair or condition that it is determined by the Administrator to be a hazard to life, health, property or safety of the public or the occupants of the structure or premises wherein the equipment is situated. ***Unsafe equipment*** may contribute to or be the cause of a finding that the structure wherein it is situated is unsafe or unfit for human occupancy or use.

UNSAFE STRUCTURE. One in which all or part thereof is determined by the Administrator to be dangerous to life, health, property or the safety of the public, which includes its occupants, because it is so damaged, decayed, dilapidated, structurally unsafe, or of such faulty construction or unstable foundation that it may partially or completely collapse.

UNFIT OR UNLAWFUL STRUCTURES

§ 151.030 STRUCTURES UNFIT FOR OCCUPANCY. A structure is unfit for human occupancy or use whenever the Administrator finds that it is unsafe, unlawful or because of the degree in which it lacks maintenance or is in disrepair, is unsanitary, vermin or rat infested, contains filth and contamination or lacks proper ventilation, illumination, sanitary or heating facilities or other essential equipment required by this code or any other code or ordinance. Furthermore, a structure may be unfit for human occupancy if its location constitutes a hazard to its occupants or to the public.

§ 151.031 DEFINITION. For the purpose of this subchapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

UNLAWFUL STRUCTURE.

1. One found in whole or in part to be occupied by more persons than is permitted by the village code.
2. One determined to have been erected, altered or occupied contrary to the village code.

§ 151.032 VACANT STRUCTURES. If any structure or part thereof is vacant and unfit for human habitation, occupancy or use, but is not in danger of structural collapse, the Administrator shall post a placard of condemnation on the premises and shall order the structure closed up so it will not be an attractive nuisance to the public. Upon failure of the owner to close up the premises within the time specified in the order, the Administrator shall cause the structure to be closed through any available public agency or by contract or arrangement with private persons or contractors. The cost for closing up the structure shall be charged against the real estate upon which the structure is located and shall constitute a lien on such real estate.

MAINTENANCE OF EXTERIORS

§ 151.045 APPLICABILITY. The provisions of this subchapter shall govern the minimum conditions for maintenance of the exterior of property, premises and structures. Premises shall comply with the conditions herein prescribed insofar as they are applicable.

§ 151.046 MAINTENANCE BY OWNER. The owner of the premises or structure shall maintain the property in compliance with the requirements set forth herein. A person shall not occupy, as owner/occupant, or lease to another for occupancy or use, premises or structures which do not comply with the requirements of this code.

§ 151.047 VACANT STRUCTURE CONDITIONS. All vacant structures and vacant land shall be maintained in a clean, safe, secure and sanitary condition as provided herein so as not to cause blight or to adversely affect the public health and safety. Penalty, see § 151.999

§ 151.048 EXTERIOR PREMISES.

- A. All exterior property areas and premises shall be maintained in a clean, safe and sanitary condition, free from any accumulation of rubbish or garbage.
- B. Storage of material must, at all times, be enclosed or screened from adjoining property and from public view so as not to be visible from adjoining property or from a public street. Penalty, see § 151.999

Cross Reference:

Weeds, see 94.20 et seq.

§ 151.049 GARBAGE STORAGE CONTAINERS. The owner, manager or operator of every establishment producing garbage, vegetable wastes or other putrescible materials shall provide, and at all times, cause to be used, leak-proof containers having close-fitting covers for storage of the materials until such time as they are removed from the premises for disposal. The storage containers shall be located behind or to the sides of a building. All storage containers which are greater than one cubic yard in size located in commercial areas shall be screened from residential areas and residential streets so they are not visible. All storage containers which are greater than four yards cubic in size located in residential areas shall be screened from view so as not to be visible from open areas.

§ 151.050 STAGNANT WATER. All premises shall be graded and maintained in such a manner so as to prevent the accumulation of stagnant water thereon. Penalty, see § 151.999

§ 151.051 LOADING AND DELIVERY AREAS. All loading and delivery areas, automobile service stations and drive-in food establishments shall be paved with bituminous, concrete or equivalent surfacing in accordance with **§ 155.250** and shall be free from dirt and other litter. The paved areas of the establishments shall be kept in good repair. Exterior lighting of commercial establishments shall be installed in such a manner so as to avoid illumination of residential areas as much as possible. Penalty, see § 151.999

§ 151.052 RESPONSIBILITY FOR EXTERMINATION OF PESTS. An owner or manager of a structure or of property shall be responsible for extermination of insects, rats, vermin or other pests in all exterior areas of the premises, except that the occupant of a single-family dwelling shall be responsible for the extermination in the exterior areas of the premises. Whenever infestation exists in the shared or public parts of a premises or structure which is not a single-family dwelling, extermination shall be the responsibility of the owner, manager or operator of the premises or structure. Penalty, see § 151.999

§ 151.053 RESPONSIBILITY FOR EXTERIOR AREAS. All sidewalks, steps, driveways, parking spaces and similar paved areas privately owned, but used by the public, shall be free from mud and other debris. If any sidewalk or driveway, or portion thereof, by virtue of its state of disrepair shall constitute a danger to public health and safety, the sidewalk or driveway, or portion thereof, shall be repaired or replaced. Penalty, see § 151.999

§ 151.054 WEEDS AND LAWNS. All areas shall be kept free from weeds or wild plant growth. Lawns shall not exceed eight inches in height. Penalty, see § 151.999

Cross-reference:

Weeds, see 94.20 et seq.

§ 151.055 STORAGE YARDS AND AREAS.

- A. *Enclosure of storage yards.* All open storage yards and areas shall be completely obscured from view by surrounding property by a solid fence (such as wood or slatted chain link) not less than six feet in height. This section shall not apply to areas where licensed, registered motor vehicles that are in good, safe and operable condition are operated on a regular basis. In those areas, a fence of not less than six feet in height is required.
- B. *Nuisance.* Unsheltered storage of old, unused, stripped, junked and other motor vehicles not in good, safe and operable condition, and of any other vehicles, machinery, implement and/or equipment and personal property of any kind which is no longer safely usable for the purposes for which it was manufactured, which hereinafter are collectively described as “the personalty,” for a period of 30 days or more, except in licensed junk yards, within the corporate limits of the village, is hereby declared to be a nuisance and dangerous to the public safety.
- C. *Abatement of nuisance by owners.* The owner, owners, tenants, lessees and/or occupants of any lot within the corporate limits of the village upon which the storage is made, and also the owner, owners and/or lessees of the personalty involved in the storage (all of whom are hereinafter referred to collectively as “owners”), shall jointly and severally abate the nuisance by the prompt removal of the personalty into completely enclosed buildings authorized to be used for the storage purposes, if within the corporate limits of the village, or otherwise to remove it to a location outside the corporate limits.
- D. *Penalty for failure of owner to abate the nuisance.* If the owners allow the nuisance to exist or fail to abate the nuisance, the, and each of them, upon conviction thereof, shall be fined not less than \$50, nor more than \$500, for each offense and a separate offense shall be deemed committed on each day during or on which the nuisance is permitted to exist.
- E. *Abatement by village.*
1. Whenever the owners fail to abate the nuisance, then the village shall remove the personalty to a location of its selection, the expenses therefore to be billed to the owners, jointly and severally, the bill to be recoverable in a suit at law.
 2. When the personalty has been removed and placed in storage by the village, as provided for herein, the personalty shall be sold by the village after the lapse of time as is provided by law. If the proceeds of the sale are insufficient to pay the costs of abatement, the owners shall be liable to the village for the balance of the costs, jointly and severally to be recoverable in a suit at law. If the proceeds are in excess of costs, the balance shall be paid to the owners or deposited in the Village Treasury for their use. Penalty, see § 151.999

§ 151.056 DISCHARGES TO ADJACENT PROPERTY. No person shall construct, maintain or operate pipes, ducts, conductors, fans or blowers in a manner so as to discharge gases, steam vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property belonging to another. Penalty, see § 151.999

§ 151.057 ACCESSORY STRUCTURES. All accessory structures, including detached garages, fences and walls shall be maintained structurally sound and in compliance with the requirements for exterior structures set forth herein. Penalty, see § 151.999

§ 151.058 EXTERIOR OF STRUCTURES. The exterior of a structure or building shall be maintained structurally sound and sanitary so as not to pose a threat to the health and safety of the occupants or other members of the public and shall be maintained so as to protect the occupants from the elements

- A. *Structural members.* All supporting structural members of all structures and building shall be kept structurally sound, free of deterioration and maintained so as to be capable of safely bearing the dead and live loads located within the buildings and structures.
- B. *Maintenance of foundations.* Every foundation, exterior wall, roof and all other exterior surfaces shall be maintained in a workmanlike state of maintenance and repair.
- C. *Foundation walls.* All foundation walls shall be maintained so as to carry the safe design and support the operating dead and live loads of the building or structure. The foundations shall be maintained plumb and free from open cracks and breaks and be kept in a state of repair so as not to be detrimental to individual safety and welfare of citizens.
- D. *Exterior walls.* All exterior walls shall be free of holes, breaks, cracks, loose or rotting boards or timbers and shall be free of any other conditions of disrepair which might admit rain, dampness or wind to the interior portions of the walls or to the occupied spaces within a building. All exterior surface materials, including wood, composition or metal siding shall be maintained weatherproof and shall be properly surface coated where necessary in order to prevent deterioration.
- E. *Roofs and roof drainage.* Roofs of all buildings and other structures shall be structurally sound and shall not have defects which might admit moisture. Roof drainage shall be such so as to prevent rainwater and other types of moisture from causing dampness in the walls or the interior portion of any building or structure.
- F. *Maintenance of cornices.* All cornices entablatures, corbels, terra cotta trim, wall facings and similar decorative features shall be maintained in good repair and shall be properly anchored to a building or structure so as to be in a safe condition.
- G. *Maintenance of overhang extensions.* All canopies, marquees, signs, metal awnings, fire escapes, standpipes, gutters and downspouts, exhaust ducts and similar overhang extensions shall be maintained in good repair and be properly anchored so as to be kept in a safe and secure condition. They shall be protected

from the elements and against decay and rust by the periodic application of a weather-coating material such as paint or by application of other protective treatment material.

- H. *Chimneys and appurtenances.* All chimneys, cooling towers, smoke stacks and similar appurtenances shall be maintained structurally safe, sound and in a good state of repair. All exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials such as paint or by treatment of a similar substance.
- I. *Stairway, porch and balcony.* Every stair, stairway, porch, balcony and all appurtenances attached thereto shall be so constructed and maintained so as to be safe to use and capable of supporting the loads to which it is subjected. They shall be kept in a sound condition and in good repair.
- J. *Windows and doors.* Every window, door and frame shall be constructed and maintained in relation to the adjacent wall construction so as to prevent rain and other types of moisture and wind from penetrating the interior of the dwelling or structure. Every window sash shall be treated with approved glazing materials and shall be free of cracks and holes. Penalty, see § 151.999

§ 151.059 SANITARY CONDITIONS.

- A. Every occupant of a structure, building or part thereof shall keep that portion of the structure or premises which he or she occupies in a clean and sanitary condition.
- B. Every owner, manager or operator of a building containing two or more dwelling units shall maintain the shared or public areas of the building in a clean and sanitary condition.
 - 1. *Disposal of rubbish.* Every occupant of a structure or building shall dispose of all rubbish in a clean and sanitary manner by placing it in rubbish containers equipped with tight-fitting covers.
 - 2. *Garbage disposal facilities.* Every occupant of a structure or part thereof shall dispose of garbage in a clean and sanitary manner by placing it in garbage disposal facilities or, if the facilities are not available, by removing all non-burnable matter and securely wrapping the garbage and placing it in tight garbage storage containers or by disposing the garbage in a manner as may be approved by the village code or other ordinances.
 - 3. *Placement of garbage.* Rubbish and garbage shall not be placed on the front property line for pick-up by the disposal service more than 24 hours prior to the time such pick-up will occur.
 - 4. *Building requirements for garbage.* Every building shall be supplied with an approved garbage disposal facility such as a mechanical sink grinder to be located within each dwelling unit or with approved outside garbage can or cans as required by this code. The facilities shall be sufficient to meet the needs of the occupants. Outside storage shall be screened on all sides so as not to be visible to adjoining residential structures.
 - 5. *Approved containers.* Every structure shall have adequate approved containers and covers for storage of rubbish and the owner, operator,

manager or agent in control of a building shall be responsible for the removal of the rubbish.

6. *Non-residential structure.* The owner or occupant of a non-residential structure or part thereof shall keep the equipment and fixtures located therein in a clean and sanitary condition and shall be responsible for the exercise of reasonable care in the proper use, operation and maintenance of the equipment and fixtures. Penalty, see § 151.999

NOTICES; POSTING REQUIREMENTS

§ 151.070 NOTICE OF VIOLATION.

- A. Whenever the Administrator determines there has been a violation of this code or has reasonable grounds to believe that a violation has occurred or whenever the Administrator has condemned a structure or equipment under the provisions of this code, notice shall be given to the owner or the person or persons responsible in the manner as prescribed below.
- B. If the administrator has condemned the property or part thereof, he or she shall give notice to the owner and the occupants of his or her intent to post the property, to order equipment out of service and that the occupants vacate the premises.
- C. The notice shall:
 1. Be in writing;
 2. Include a description of the real estate sufficient for identification;
 3. Include a statement of the reason or reasons why it is being posted; and
 4. Include a correction order allowing a reasonable time for the repairs and improvements required to bring the structure into compliance with the provisions of this code and other applicable codes and ordinances.

§ 151.071 SERVICE OF NOTICE.

- A. Service of the notice required in the previous section shall be deemed to be properly served upon the owner if a copy is delivered to the owner personally or by leaving a copy of the notice at the usual place of the owner's abode with someone residing there of suitable age and discretion who shall be informed of the contents of the notice. Notice can also be served by certified or registered mail, return receipt requested, addressed to the owner at his or her last known address.
- B. In addition to the forms of service specified above, notice when the structure is condemned must also include posting a copy of the notice in a conspicuous place in or about the structure affected by the notice and at least one publication of the notice in a local newspaper of general circulation within the village.

§ 151.072 CONDEMNATION ORDER; VACATION OF PREMISES.

- A. When a condemnation order is served on an occupant other than the owner or person responsible for compliance, a reasonable time to vacate the property after non-compliance shall be allowed and stated in the order.
- B. Owners or persons responsible for compliance, however, must vacate at the time set as a deadline for correction of defects if there is a failure of compliance.

§ 151.073 NON-COMPLIANCE. Penalties for non-compliance of orders and notices shall be in accordance with §§ 151.115 through 151.120.

§ 151.074 ISSUANCE OF CONDEMNATION NOTICE.

- A. When the condemnation notice required under the provisions of this code has been given and time allowed for repairs has expired without compliance, the Administrator shall post on the premises or structure or parts thereof, or on defective equipment, a placard bearing the words:

“CONDEMNED AS UNFIT FOR HUMAN OCCUPANCY OR USE”

- B. A statement of the penalties provided for any occupancy or use or for removing the placard shall be noted on that placard. The owner, or the person or persons responsible for the correction of violations, shall remove himself or herself from the property for his or her failure to comply with the correction order in the time specified. However, other occupants of the property shall be given a reasonable amount of time thereafter to vacate.

§ 151.075 CONTINUED USE OF STRUCTURE. Any person who shall occupy a posted premises or structure or part thereof or shall use posted equipment and any owner or person responsible for the premises who shall let anyone occupy a posted premises shall be subject to the penalties provided for herein. Penalty, see § 151.999

§ 151.076 LIFTING CONDEMNATION NOTICE. The Administrator shall remove the condemnation card whenever the defect or defects upon which the condemnation and posting action were based have been eliminated. Any person who defaces or removes a condemnation card without the approval of the Administrator shall be subject to the penalties provided for herein. Penalty, see § 151.999

§ 151.077 EMERGENCY ACTIONS. Whenever an Administrator finds that an emergency exists on any premises, or in any structure or part thereof, or on any defective equipment which requires immediate action to protect the public's health and safety or the health and safety of the occupants therein, the Administrator shall, with proper notice and service in accordance with the provisions stated herein, issue an order reciting the existence of an emergency and requiring the vacating of the premises or the taking of such other action as the Code Enforcement Administrator deems necessary to meet an

emergency. Notwithstanding other provisions of this code to the contrary, the order shall be effective immediately and the premises or equipment involved shall be posted immediately upon service of the order. A copy of that order shall be delivered to the Mayor and members of the Village Board immediately after it is issued.

JUNK VEHICLES

§ 151.090 DEFINITION. For the purposes of this subchapter, the following definition shall apply unless the context clearly indicates or requires a different meaning.

JUNK VEHICLE.

1. Any vehicle which is without a current valid license plate and/or is in a rusted, wrecked, discharged, dismantled, partly dismantled, inoperative or abandoned condition. A ***JUNK VEHICLE*** is also a motor vehicle from which, for a period of at least seven days, the engine, wheels or other parts have been removed or on which the engine, wheels or other parts have been altered, damaged or otherwise so treated that the vehicle is incapable of being driven under its own motor power.
2. A ***JUNK VEHICLE*** shall be classified as to its condition in one of the two following categories:
 - a) ***RESTORABLE.*** A junk vehicle that is in a condition whereby repairs to it could be made to place it in operating condition without exceeding its estimated value when repaired. One restorable vehicle shall be allowed on a lot located in a residential area provided that it is enclosed within a garage structure.
 - b) ***WRECKED.*** A junk vehicle in such a condition that it is economically unsound to restore it to operating condition considering the cost of repairs to be made, age of the vehicle, market value of the vehicle if it were restored or if, in the opinion of the Administrator, it is determined that such a classification for the vehicle is warranted. A wrecked vehicle shall not be allowed to remain or be stored on any parcel within a designated residential area.

Cross-reference:

Abandoned and Inoperable Vehicles, see Chapter 92

§ 151.091 DECLARATION OF NUISANCE. All junk vehicles, whether on public or private property and in view of the general public, are hereby declared a nuisance, and any person who violates any provision of this code pertaining thereto or who fails to obey a notice which states that such person is to dispose of that vehicle under his control shall be subject to the fines and penalties as provided for in §§ 151.115 through 151.120.

§ 151.092 ISSUANCE OF CITATIONS, EXCEPTIONS. After ten days from the issuance of a citation, members of the Police Department may enter upon public or private property and remove any junk vehicle, or parts thereof, for the purpose of disposing of same. The cost(s) for the removal shall be paid by the owner of the property. However, nothing in this section shall apply to any motor vehicle that is kept within a building, nor does this section apply to operable historic vehicles over 25 years of age, or to a motor vehicle on the premises of a place of business engaged in the wrecking or junking of motor vehicles.

§ 151.093 MULTIPLE VEHICLES FOR SALE. The offering of two or more motor vehicles for sale at the same time on private property located within a residential area is prohibited. At no time and under no circumstances is the offering for sale of a junk vehicle or the sale of vehicle parts permitted in open areas on private property unless the property upon which it is situated is licensed by the village to permit such sale. For the purpose of this section, a "for sale" sign posted upon or adjacent to a motor vehicle constitutes an offering for sale and is prohibited unless specifically allowed herein. Penalty, see § 151.999

§ 151.094 UNLAWFUL SALE WITHOUT LICENSE. Except as permitted by this code, it shall be unlawful to offer for sale any vehicle at any location unless the location is licensed by the village to permit such a sale. The owner of the vehicle, as well as the owner of the property upon which it is located, shall be liable for any violations of this code which pertain thereto. Penalty, see § 151.999

§ 151.095 ENCLOSURE OF MOTOR VEHICLES. Unless otherwise provided herein, all unregistered, inoperable or junk motor vehicles shall be garaged when in a residential district.

§ 151.096 DISMANTLING PROHIBITED. Unless otherwise provided for herein, no motor vehicle which is in a state of major disassembly, disrepair or which is being stripped or dismantled shall be permitted on any property located within a residential or a non-residential district unless the property is licensed for the use. The major repair or demolition of motor vehicles shall not be permitted in residential areas. Penalty, see § 151.999

§ 151.097 UNLAWFUL PARKING.

- A. All vehicles parked in a residential district shall be parked on a street, a clearly delineated driveway or within a garage.
- B. At no time shall a motor vehicle be parked, stored or in any manner be placed on the front, side or rear yards or otherwise allowed to create a nuisance to adjoining property owners by placing the vehicle in areas other than herein provided. Penalty, see § 151.999

§ 151.098 COMMERCIAL VEHICLES IN RESIDENTIAL DISTRICT.

- A.
1. No more than one commercial vehicle shall be parked, stored or housed within a residential district.
 2. The commercial vehicle parked, stored or housed within a residential district must be owned by or assigned to the owner of the premises where the vehicle is situated and must be located on the owner's lot in the residential district.
 3. The vehicle must not exceed seven feet in height and shall not be a school bus, tractor, trailer, dump truck, front loader, crane, tow truck or similar vehicle.
 4. The commercial vehicle shall be parked to the side or rear of a building on a clearly delineated driveway so as to be screened from view from the public right-of-way as much as possible.
 5. For the purpose of this section, the following definition shall apply unless the context clearly indicates a different meaning.

COMMERCIAL VEHICLE. A vehicle having been issued a "B" or a "D" license plate by the Secretary of State. All other commercial vehicles having greater than a "D" license plate shall not be parked, stored or housed within a residential district.

- B. No refrigerated truck or trailer shall be parked within the village between the hours of 10:00 p.m. and 6:00 a.m. with the refrigeration unit in operation, except where the units are parked in parking areas specifically designed and established for group parking of the units or where the units are parked within properly zoned business districts and where the noise from the vehicles is not audible in adjacent residentially zoned districts.
- C. No diesel powered truck or trailer shall be parked within the village between the hours of 10:00 p.m. and 6:00 a.m. with the engine running, except where the units are parked in parking areas specifically designed and established for group parking of the units or within properly zoned business districts and where the noise from the vehicles is not audible in adjacent residentially zoned districts. Penalty, see § 151.999

§ 151.099 RECREATIONAL VEHICLES. The provisions of this code shall not be construed to amend or alter any provisions contained in other codes or ordinances regulating the parking and/or storing of recreational vehicles.

§ 151.100 APPLICABILITY. All provisions of this code shall apply to trailers and towable vehicles.

VIOLATIONS, PENALTIES AND REMEDIES

§ 151.115 CODE VIOLATIONS. It shall be unlawful for any person to erect, construct, alter, extend, repair, remove, demolish, use or occupy any structure or equipment regulated by this code when the conduct is contrary to or in conflict with or in violation of any of the provisions stated herein.

§ 151.116 NON-COMPLIANCE WITH ORDER.

- A. In case any violation order is not promptly complied with, the Administrator may request the Village Board to direct the village's legal representative to institute an appropriate action or proceeding in a court of competent jurisdiction to collect the penalties provided for in § 151.999(A)
- B. Furthermore, subject to the provisions set forth in ILCS Chapter 65, Act 5, § 11-31-1, the Administrator may ask the Village Board to authorize the village's legal representative to proceed at law or in equity against the person responsible for the violation for the purpose of ordering that person:
 - 1. To restrain, correct or remove the violation or refrain from any further work at that structure(s);
 - 2. To restrain or correct the erection, installation or alteration of the structure(s);
 - 3. To require the removal of work in violation of any provision of this code; or
 - 4. To prevent the occupation or use of the structure or part thereof erected, constructed, installed or altered in violation of or not in compliance with the provisions of this code or which is in violation of a plan or specification of which an approval, permit or certificate was issued by the village.

§ 151.117 ACTION BY BOARD OF TRUSTEES.

- A. Subject to the provisions of ILCS Chapter 65, Act 5, § 11-31-1, the Administrator may recommend to the Village Board that it direct the owner of the premises upon which is located any structure or part thereof, which, in the Administrator's judgment is so old, dilapidated or has become so out of repair as to be dangerous, unsafe, unsanitary or otherwise unfit for human habitation, occupancy or use, to raze and remove a structure or part thereof.
- B. Furthermore, the Village Board may direct the owner of a premises to repair, make safe and make sanitary a structure if it can be repaired or to raze and remove the structure at the owner's option.
- C. The Village Board may also direct the owner of the premises to demolish a structure where there has been a cessation of normal construction of the structure for a period of more than two years and the unfinished structure is so deteriorated that it warrants demolition.

§ 151.118 TIME CONSTRAINTS.

- A. The order from the Village Board shall specify a time in which the owner shall comply therewith and specify repairs, if any, to be made. It shall be served on the owner of record, or an agent where an agent is in charge of the building and upon the holder of any encumbrance of record in the manner provided for service of a summons by a court of record. If the owner or a holder of the encumbrance of record cannot be found, the order may be served by posting it on the main entrance of the building and by publishing it once each week for three successive weeks in a newspaper of general circulation within the village.
- B. An extension of time to comply with an order of repair or demolition issued by the Village Board may be requested by the owner from the Village Board by filing the requests with the Village Clerk within five days of receipt by the owner of the notice of repair or demolition.

§ 151.119 COMMENCEMENT OF COURT PROCEEDINGS.

- A. In the event the owner of the premises fails or refuses to comply with the order of the Village Board, the Village Board may direct the Village Attorney to commence court proceedings in accordance with ILCS Chapter 65, Act 5, § 11-31-1 to authorize the demolition or repair of the structure.
- B. The requirements and provisions of ILCS Chapter 65, Act 5, § 11-31-1 are incorporated herein by reference, shall be strictly complied with and shall supersede and take precedence over any provisions of this code or ordinances which are in conflict therewith.

§ 151.120 SALE OF STRUCTURE AND MATERIALS. When any structure has been razed and removed, the Village Board, or its designated officer under a contract or arrangement for removal, may sell the salvageable and valuable materials at the highest price obtainable. The net proceeds of such a sale, after deducting the expenses of the razing and removal, shall be promptly remitted to the Village Clerk with a report of a sale transaction, including the items and the amount deducted for the benefit of any person, firm or corporation entitled to reimbursement for the expenses. The report to be submitted shall so state if there are no sale proceeds remaining to be remitted.

CERTIFICATE OF OCCUPANCY

§ 151.135 OCCUPANCY PERMIT REQUIRED.

- A. It shall be unlawful for any person, owner or agent thereof to occupy or use, or to permit the occupancy or use of any single or multi-family dwelling unit for any purpose including the movement of furniture, equipment or other personal property into the premises until a permit of occupancy has been issued by the Administrator. The certificate so issued shall state the

occupancy complies with all of the provisions of this code as far as can be determined by a visual inspection of the premises and a review of the records.

- B. The fee for the occupancy permit/final inspection shall be \$15 for each dwelling unit or building, or portion thereof, occupied. If an inspection certificate has been issued, then an occupant may move in on weekends and holidays when the department, responsible for issuing occupancy permits, is closed. The occupant is required to obtain the permit within three days after the Department is open.

§ 151.136 APPLICATION. It shall be unlawful for any person to knowingly make any false statements on an application for an occupancy permit for a dwelling unit as to the names, relationship or number of occupants who will occupy the dwelling unit. Penalty, see § 151.999

§ 151.137 ACTION ON APPLICATION.

- A. The Administrator shall examine, or cause to be examined, all applications for permits within a reasonable time for filing. He or she shall cause the premises to be inspected within seven working days after filing. If the premises are not inspected within seven working days, then the permit and certificate of compliance shall be automatically issued without an inspection. If the premises are not in compliance with this code and all laws and ordinances applicable thereto, the Administrator shall provide the applicant with a list of defects that are not in compliance. The defects shall be listed with as much specificity as possible. The owner or occupant of every dwelling unit and its premises shall give the Administrator free access thereto, at all reasonable times, for the purpose of the inspection. An inspection shall be valid for a period of one year. The dwelling unit does not have to be reinspected during the year, even if the occupancy changes. There shall be no fee for the original inspection, or the first reinspection, if necessary.
- B. A reinspection shall be made within seven working days after a written request for reinspection has been made to the Administrator. If the premises are not reinspected within the seven working days, from receipt of the written request, then the permit and certificate of compliance shall be automatically issued without a reinspection. If specific defects are found in the original inspection, the Administrator shall not require additional defects to be corrected that were discovered on a reinspection unless the new defects occurred after the original inspection.
- C. There shall be a fee of \$50 for every reinspection after that first one.
- D. No inspection shall be required under this subchapter for a dwelling unit that is less than five years of age.

§ 151.138 ISSUANCE OF PERMIT. If all the fees are paid and the Administrator is satisfied that the premises and its occupancy are in compliance with this code and all laws and ordinances applicable thereto, the Administrator shall issue the occupancy permit as soon as practicable.

§ 151.139 CONDITIONAL PERMIT.

- A. Occupancy shall be permitted on a conditional basis when in the judgment of the Administrator practical difficulties interfere with completing all repairs required to bring the premises into full compliance with this code prior to permitting occupancy.
- B. However, no conditional permit shall be issued when there is a condition on the premises which can threaten the health or safety of an occupant.
- C. No conditional permit shall be issued under the provisions of this code for which a change in use is proposed unless a certificate of use and occupancy has first been issued under the provisions of the Building Code and/or Zoning Code.

§ 151.140 REJECTION OF APPLICATION. If the application does not comply with the requirements of all pertinent laws, the Administrator shall reject the application in writing, stating the reasons therefore.

§ 151.141 SUSPENSION OF PERMIT. Any permit issued shall become invalid if the occupancy is not commenced within six months after issuance of the permit or if the occupancy is terminated.

§ 151.142 REVOCATION OF PERMIT. The Administrator may revoke a permit in cause of any false statement or misrepresentation of facts in the application on which a permit was based, or in the event a structure or part thereof is condemned pursuant to this code.

§ 151.199 PENALTY.

- A. Any person, upon conviction of violating any provisions of this code, shall be fined not less than \$50, nor more than \$750 for each violation. The Administrator is authorized to issue a citation for each day that a violation continues after due notice has been served and each citation shall be deemed a separate and distinct offense.
- B. Any person, upon conviction of violating § 151.098, shall be fined \$250 for each violation.
- C. Any owner or occupier of any premises violating §§ 151.135 through 151.142 shall, upon conviction, be fined \$100. Each day an occupancy continues without complying with this code shall be considered a separate offense and is subject to a separate fine.

This Ordinance becomes effective after its passage and publication as prescribed by law.

PASSED BY THE VILLAGE BOARD OF THE VILLAGE OF FREEBURG,
ILLINOIS, ST. CLAIR COUNTY, AND APPROVED BY THE VILLAGE

Economic Development Committee Meeting (Smith/Baker/Miller)

Monday, May 17, 2010 at 6:00 p.m.

The meeting of the Economic Development Committee was called to order at 6:02 p.m. on Monday, May 17, 2010, in the Municipal Center. Those in attendance were Trustee Steve Smith, Trustee Rita Baker, Trustee Tony Miller, Village Clerk Jerry Menard, Village Administrator Dennis Herzing, Office Manager Julie Polson, Billie Louthan and Mike Blaies. Guests present: Gale Hake of Rhutasel & Associates and Janet Baechle.

A. OLD BUSINESS:

1. Growth strategies and recommendations to retain and attract businesses: Steve sent letters to the Industrial Park business owners and only Gale Hake attended this meeting. Dennis Kaiser did contact Steve since he was unable to attend and commented he thinks the fronts of new businesses need to be more attractive. Steve explained to Gale that the EDC wants to help attract complementary businesses to the Industrial Park and also said we want to improve our website by adding a section that would list available properties for sale. Gale said businesses that would complement his include a contractor in place of Randle Construction, structural engineer, geo-technical firm, drilling contractor or concrete facility. He has not heard of any businesses that would be interested in moving into the Industrial Park. As far as incentives, the price of the land is ideal. He went onto state Rhutasel did not receive any incentives when they purchased land out at the park and further said there were several obstacles and problems with the Village during that time. He felt the Village could have been more cooperative. Gale asked if any retail businesses could locate there and Dennis said it has been the policy of the Village to only allow manufacturing-type businesses out there where 50% or more of their business is manufacturing. Trustee Smith said he may try to invite the business owners in 3 - 4 months to see if there is anymore participation.

2. Christmas Lighting Event: Steve will talk to Dennis Kaiser and Craig Niebruegge about building a nativity scene for the Village Park. We will start asking for donations after the Relay for Life event is done, probably the beginning of July. Rita suggested use decorated Christmas boxes for donations. Julie will check with the Tribune to see if we can get a color picture of the tree lighting from last year and we will put that out with a donation jar at the movies in the park. Mike said no-one has volunteered to run the Chamber's Santa's Cottage. He said the Merchant's Club at the Market Place may take it over.

3. Summer event: The committee agreed the movies that will be shown are Up and the Blind Side. It was agreed that Avatar was not appropriate. Steve will talk to Corby about scheduling a time to watch a movie. Corby said you can buy popcorn at the Lincoln Theater for \$8 a bag and that may be an easier way to go. We still plan on hot dogs, popcorn, soda and water for sale.

Mike Blaies asked if anyone had heard anything about a KFC/Taco Bell coming to Freeburg and Tony said the franchise fee to own one of those is quite expensive.

B. NEW BUSINESS: None.

C. GENERAL CONCERNS: *Trustee Rita Baker motioned to approve the April 19, 2010 minutes and Billie Louthan seconded the motion. All voting aye, the motion carried.*

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Rita Baker motioned to adjourn the meeting at 7:12 p.m. and Trustee Billie Louthan seconded the motion. All voting aye, the motion carried.*

Julie Polson
Office Manager

work before anything else is done. Trustee Smith asked Julie to check with Mel to see how many accidents and/or injuries have occurred at that intersection.

3. Swipe Card Access: Nothing new.
4. 709 Saxony lane request for culvert: Nothing new.
5. Leaf/limb pickup: Julie said most residents seem to be okay with the new limb pickup after major storm policy.
6. Draco Drive drainage: The resident will have this problem taken care of. Item can be taken off the agenda.
7. MFT: Tony said this can be taken off the agenda.
8. Stonemain drainage: John said someone needs to talk to the homeowner about piping the sump pump out to Route 15. He said the culvert belongs to IDOT and it looks like one end of the culvert has been closed. Dennis will call his contact there and find out who to talk to about the problem.

B. NEW BUSINESS:

1. Handling of unlawful weed growth nuisances: Julie said we are getting more properties that aren't being mowed because the home is in foreclosure. Dennis said in the past we have used our lawn service and then place a lien on the property. We will continue that practice.

John said he has a work order for a resident on Countryside Lane who is complaining that he cannot see when pulling out of his driveway and wants the scrub brush and three cottonwood trees taken down by us. John said it is located in the right-of-way. Dennis suggested we clean up the brush and then see what it looks like. He also said in the past we have had the police go out there and see if they deem it a safety hazard. He will ask Mel to have that done before we cut anything down.

John said we have another work order from a resident on W. Washington Street that cut down two trees and is requesting help from the Village to remove the rest of the tree, grind the stump and they would share in the cost of replacing the sidewalk. He said the sidewalk is a safety issue and there are 3 sections that would need to be replaced. We have used Dave Wiskamp in the past and John said Ron would wait until he had several trees that needed taken care of. John said we have some trees in the Village Park that should be taken down. John will talk to Dave and maybe Dave could help the resident with the one tree that is not interfering with the sidewalk. He said the tree work probably won't be done until late summer.

Dennis told the committee we received a \$50,000 grant from DCEO and asked the committee to think of some projects we could use it for. He said the grant specified the money has to be spent on infrastructure and said he and John

came up with repairing and painting the water towers, building a shed on the vacant lot on White Street. Corby asked if we could purchase computers for the squad cars and Dennis said no, the grant can't be used for that. We could add the grant onto the Safe Routes for School project.

C. GENERAL CONCERNS: None.

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Rita Baker motioned to adjourn the meeting at 6:42 p.m. and Trustee Corby Valentine seconded the motion. All voting aye, the motion carried.*

PUBLIC WORKS COMMITTEE MEETING
Trash/Water/Sewer
(Mattern/Miller/Speiser)
Wednesday, May 26, 2010 at 4:30 p.m.

EXHIBIT I
VILLAGE ADMINISTRATOR
Dennis Herzing

VILLAGE TREASURER
Bryan A. Vogel

PUBLIC WORKS DIRECTOR
Ronald Dintelmann

POLICE CHIEF
Melvin E. Woodruff, Jr.

VILLAGE ATTORNEY
Stephen R. Wigginton

The Public Works Committee Meeting was called to order at 4:34 p.m. on Wednesday, May 26, 2010, by Chairman Charlie Mattern. Members present were Chairman Charlie Mattern, Trustee Tony Miller, Trustee Seth Speiser, Village Administrator Dennis Herzing, Assistant Public Works Director John Tolan and Office Manager Julie Polson. Guest present: Janet Baechle.

A. OLD BUSINESS:

1. Approval of April 21, 2010 minutes: *Trustee Tony Miller motioned to approve the April 21, 2010 minutes and Trustee Seth Speiser seconded the motion. All voting aye, the motion carried.*
2. SAVE Site Water Situation: The bids were in the packet and Korte-Luitjohan came in at the lowest bid of \$102,997. Dennis said they put the whole project in the bid to see what the prices looked like. The committee discussed having our public works employees doing some of the work themselves such as the service connections, fire hydrants. Dennis talked to Netemeyer about this and Netemeyer suggested if we were going to do some of the work, we should pull out an entire item rather than bits and pieces. John Tolan suggested we take out the fertilizer and seeding. He also said the water lines are really deep and run every which way and agreed we need to take out the service connections. Dennis said we need to get the bid back into the \$65,000 - \$70,000 range and that we need to sit down with Korte-Luitjohan and work it out.

Trustee Tony Miller motioned to recommend to the full Board that Korte-Luitjohan's bid in the amount of \$102,997 for the Save Road/Lee Hopp Drive Watermain Replacement be accepted and Trustee Seth Speiser seconded the motion.

3. Sewer Project: The public hearing on the sewer project was held on May 19, 2010. The minutes of the meeting are attached. No public was present.
4. Recycling: Dennis has received the contract for the cardboard dumpsters and said we are trying to figure out the spacing for them. Charlie asked if the dumpsters could be stacked one in front of the other and Dennis will check with the company on that. He also said we are currently recycling about 1.25 tons of paper per week. Janet asked about the battery recycling and Dennis had provided the information to the committee and said it is too expensive. Dennis said another situation that we have to discuss is we have a couple people digging through the dumpsters trying to take certain items out of them. He thinks this is a liability issue that we really don't want to deal with and the committee agreed. Dennis will let them know.

5. Sewer backup policy: John gave an update on the backflow preventers that had been installed. Dennis said we are not going to make any changes to the ordinance and the committee confirmed this. Trustee Miller asked about the Dambacher problem and John advised it had been scheduled for today but had to be delayed. John and Dennis met with Kohnen Concrete and have revised the plan that was initially decided upon. The location of the lift station will be moved to the south of Shampoodles and John is looking to do the project the second week of July. He wants it to be dry since we will be going deep and it needs to be shored up. Dennis commented Kohnen was happy with the revised plan.
6. FSH System Requirements: The EPA permit has been received and John said we can move on it now.
7. Dumpster at lot on White Street: Dennis said we did receive a \$50,000 grant that can be spent on infrastructure. We have been talking about putting a shed on this property and could use grant money to do that. Dennis advised Corby said the electric department could possibly add money to that from the electric fund to get the shed that we need. John said we need to get our trucks and equipment inside. John also said he thinks the old sewer plant would be a perfect place for the dumpster as it is fenced in and could be locked up, and you could use the drying beds for the leaves. Seth said a 40 x 80 pole barn would cost around \$30,000. Dennis told the committee a decision on the grant needs to be made relatively soon. Item will be moved to Street Committee.
8. Towers Fire Apparatus/Fire Hydrants: Dennis said he and Julie researched this and couldn't find the old agreement. However, they did locate a fire hydrant use application which is included in the packet. Dennis thought we could send this to Towers with a letter advising we believe this has been done in the past and to have them fill out the application and return it to us. Tony suggested we have something in the application that states it should be sent in each time a hydrant is used and also that the Village be notified in advance. Charlie asked if we could give Towers a radio read meter. It was agreed that this is probably not economically feasible. Julie will get the application revised.

B. NEW BUSINESS:

1. IEPA - Noncompliance Advisory: John said he will respond to the notice. He said the inspection went well. He will be conducting a cross-connection survey and using templates from IRWA. Davinroy will help him with it. John said there are some structural problems with the east tower. The insides of the towers are in fairly good shape. The inspection reports from the east and west towers were briefly reviewed. It will cost \$13,000 in repairs the east tower, \$2,500 in interior coating repairs; \$10,000 in repairs to the west tower and \$2,500 in interior spot repairs, \$2,500 to fix the ladder totaling about \$30,500. The committee talked about possibly using the \$50,000 to cover those repairs.

Tony brought up a concern he received from a resident about dumpsters being enclosed and asked if we had that in ordinance form. Dennis said it is required by ordinance to enclose trash bins in the B-2 zoning district. We will have Phil Borger look at the businesses in the B-2 district to see who is complying with the code. A letter will be sent to those who are not in compliance.

C. GENERAL CONCERNS: Dennis said we have a landlord that is trying to force the Village to turn off utilities on an account that is current in order to get the tenant evicted. Attorney Wigginton advised the landlord cannot use the Village in this manner. Jane has always told the landlord that we will not turn utilities off if an account is current. Dennis said it is also our policy that if there is an outstanding final bill, we will not turn utilities on until it has been paid.

Tony brought up the recreation fee and Dennis said Roger Huebner of IML said we cannot do that. The pool would have to be funded by a bond referendum.

Dennis said we have had some employees ask about the free pool pass to village employees. John commented when he first started with the village, the employees received a free pass. The committee briefly discussed this but did not make a decision.

D. PUBLIC PARTICIPATION: Janet wanted to know if we would make the recycling station one-way and Dennis said no, it is working fine as it is.

E. ADJOURN: *Trustee Tony Miller motioned to adjourn at 6:00 p.m. and Trustee Seth Speiser seconded the motion. All voting aye, motion carried.*

Legal and Ordinance Committee Meeting
(Annexation; Building; Zoning; Subdivision)
(Speiser/Baker/Mattern)
Wednesday, June 2, 2010 at 4:30 p.m.

The meeting of the Legal and Ordinance Committee was called to order at 4:30 p.m. by Chairman Seth Speiser on Wednesday, June 2, 2010, in the Freeburg Municipal Center. Members attending were Chairman Seth Speiser, Trustee Rita Baker, Trustee Charlie Mattern and Office Manager Julie Polson.

A. OLD BUSINESS:

1. Approval of May 5, 2010 Minutes: Trustee Rita Baker motioned to approve the May 5, 2010 minutes and Trustee Charlie Mattern seconded the motion. All voting aye, motion carried.

2. Community Improvement Board/Material Requirements on Commercial Buildings/Nuisance Abatement Code: Included in the packet was the ordinance amending the zoning code for exterior material requirements on commercial buildings. The committee deleted the verbiage under #2 for allowable materials, "may not exceed fifty percent (50%).

Trustee Charlie Mattern motioned to send the proposed ordinance amending Title Xv, Chapter 155 of the Revised Code of the Village of Freeburg to the Plan Commission for a public hearing and Trustee Rita Baker seconded the motion. All voting aye, the motion carried.

Trustee Rita Baker motioned to recommend to the full Board the Ordinance Amending the Revised Code of the Village of Freeburg (Nuisance Abatement) be approved and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.

Trustee Rita Baker motioned to recommend to the full Board the Resolution Establishing the Policy Regarding Requirements for Alterations, Repairs or Changes in use of Commercial Structures be approved and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.

3. Status of Public Hazard Homes: Nothing new.

4. TIF litigation: Attorney Wigginton will be at the June 7, 2010 board meeting to discuss the agreement.

Legal and Ordinance Committee Meeting
Wednesday, June 2, 2010
Page 1 of 2

5. New class of business license: The committee decided to ask IML if we can mandate a business to report sales tax to us. They also discussed raising the business license fee from \$10.00 to \$25.00 with a \$10 late fee. Julie will check with other municipalities to see if they require a business license, how much they charge and how they treat a temporary business.

6. Compensation of Officials: Julie will have Dennis prepare an ordinance for next month's meeting.

7. Residency requirement ordinance: The revised ordinance will be included in the June 7th board packet.

8. Unionization: This is being kept on the agenda for informational purposes.

B. NEW BUSINESS:

1. Farmer's Market: Julie explained the Healthy Nut would like to have a farmer's market during the summer months and the committee was fine with the request.

C. GENERAL CONCERNS: None.

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Rita Baker motioned to adjourn the meeting at 4:47 p.m. and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.*

Freeburg June 7, 2010 ESDA Report
To
Mayor and Village Trustees

A. Activation of ESDA - The Storm Prediction Center in Norman, Ok. Issued a Severe Thunderstorm Watch for St. Clair County ar 2:00 AM in thr morning on June 2, 2010 and was valid until 7:00 AM CDST. ESDA members that , as per our EOP, called into the office to advise they received the alert data and were available if the Watch was upgraded to a Warning , included: Mike Blaise, June Williams, Gary & Sharon Lautz, David Antry, Jr., and Janet Baechle. Coordinator Kramer responded to the local ESDA office to establish communications with the County BMA (confirmed page), broadcasted Watch data to local PD officers on duty on our local Government frequency, activated the County Amateur Radio Emergency Service @ net and ARES@ with St. Louis County . Even though the National Weather Service issued a Severe Thunderstorm Warning for Madison Co., St. Clair County was NOT put under a warning, only two “special weather statements” about the potential for the storms to reach severe levels as they entered our area. Winds to 30 mph and heavy rainfall was fortunately the only problem with these storms. Coordinator Kramer secured the ESDA office/EOC at 3:35 AM and monitored until 4:15 AM with the County from home for the duration of the Watch period.

B. On June 3, 2010, I took time from my ISP work to :

1. Meet with the Freeburg Swimming Pool managers, accompanied by the Public Works deputy director John T., Village Administrator Dennis H.: (9:00 AM)

Coordinator checked communications equipment and found the portable radio battery dead and battery charger unit defective. Fortunately these items were replaced by spares from the Freeburg PD office. Coordinator repaired a defective base radio microphone ground connector. Coordinator suggested a surge lightning protection for the Lightning Detector the Pool managers use to detect lightning before it is actually “seen”. Coordinator reviewed and made suggestions as to the best safety rules and actions to follow as recommended by the National Weather Service Lightning research center.

2. Conduct annual review of the Village ESDA Emergency Operations Plan: (1 PM), that included : Village Admin. Dennis H., Public Safety Chairperson Trustee Rita Baker, Deputy Director of Public Works Department John T., Freeburg Police Department officer representative for the Chief Mike S., and Freeburg Fire Department assistant Chief Kenny C. and several previous agreements by all departments were confirmed for continuation such as : use of emergency vehicle PA units if an outdoor siren failure would occur, if area wide telephone system were out for more than 25-30 minutes the “3 reporting staging areas” would be activated by Freeburg FD, Freeburg PD, and Freeburg ESDA for persons to report to for assistance with all staging areas using IREACH communications.

Review of the NEW addition of using the Village CTY telephone notification system for Tornado Watch alerts ONLY.

Updates on new members to our Local Team of Nurses (LTN- with telephone number contacts).
Review of “upcoming FCC mandated narrow banding” communication equipment requirements.

WHEN THUNDER ROARS
GO INDOORS!

STRUCKBYLIGHTNING.ORG • LIGHTNING.ORG

"Don't be a fool!
Get out of
the pool!"

Leon the Lightning Lion says... Lightning can hurt you even before it rains!

When you hear thunder:

- Go indoors quickly.
- Head for a house, school or large building.
- If you can't get indoors, get in a hardtop car, bus or truck.
- Stay off phones, computers and video games.
- Never go under a tree!

Remember, a lightning protection system makes the building safer.
