

# FREEBURG BULLETIN

## PLEASE NOTE:

- Freeburg's Emergency Services & Disaster Agency (ESDA) is looking for a volunteer shelter manager. Anyone interested can call the ESDA office at 539-9996 to request an application.

- Residential trash pick up for Thanksgiving Day, Thursday, November 26th will be delayed one day.

## NEW LEAF PICK UP PROGRAM:

This year the leaf pick up program will be a little different. Freeburg has been divided up into four quadrants that will receive leaf pick up at certain times of each month.

If you would like your leaves collected during your designated week, you are strongly encouraged to rake your leaves to the street the weekend prior to your listed week to ensure that when the collectors come through on Monday through Wednesday that your leaves are present and ready.

Leaves will be collected October, November and December. No leaves will be collected in January and February. In March the quadrant method will be used again for a final collection before the following Fall.

Please check the Freeburg website ([www.Freeburg.com](http://www.Freeburg.com)) for a color coded map along with the list of designated collection dates.

## UTILITY BILLS

The Village of Freeburg bills its customers for electric, water, sewer and trash on a monthly basis. Utility bills are mailed on or around the 22nd of each month and are due the 7th of the following month by close of business (5:00pm) in order to avoid any late fees. If the due date falls on a Saturday, Sunday or legal holiday, such period will be automatically extended to include the following first business day.

## SCHOOL SPIRIT

School has started and so in turn have the plentiful activities each school provides. Take a moment to look at the following websites to view schedules of the various athletic and non-athletic events you can go out and support!

## VILLAGE OF FREEBURG DEPARTMENT ANNOUNCEMENTS

### STREETS AND WATER

Work Orders: Did you know that you can submit a work order request through the Village of Freeburg website? Just go to [www.Freeburg.com](http://www.Freeburg.com) and click on the "Village Services" tab on the home page. This work order process provides a way to track the status and progress of the work order. This in turn allows for better communication and overall experience.
