Report to Mayor and Village Board July 18, 2016

submitted 7/14/16

Numerous severe weather alerts took place during this reporting period, prompted activation of the ESDA office specific to these "alerts" and "Special Weather Statements" issued by the National Weather Service. These actions are as follows:

A. Severe Thunderstorm WATCH issued at 6 AM for the entire metro area and valid until 1 PM on July 7th. I open the ESDA office at 6:05 AM and initiated radio communications with County EMA/ESDA, Countywide ARES® communications Villagewide communications to disseminate the information. STW number was 346. Watch CANCELLED @ 11:23 AM.

Significant Weather Advisory issued by NWS St. Louis involving a strong, but not severe, line of thunderstorms to move across the area. This SWA was issued around 9:50 AM for potential winds to 45 mph and small hail. Communications established with the swimming pool to advise of this situation. Received report of "pea size hail" from ARES® operator in Red Bud at 10:14 AM, but no other issues and these storms did NOT reach severe limits (required at 1" diameter hail and/or winds greater than 55-58 mph).

B. Conducted weekly County wide ARES (Amateur Radio Emergency Service) communications net July 5th from ESDA office at 7:10 PM.

C. Received revised listing from FEMA on grant titles, researching these updates.

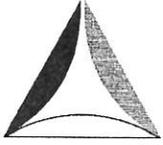

D. Processing Village public safety updates for EOP, recently received, into digital format.

E. Severe Thunderstorm Watch & Warnings July 13, 2016- As the large line of severe thunderstorms developed in far western Missouri on 7-13-16, and our weather instrumentation confirming local air mass vulnerable, e-mailed to Village Mayor, Admin., Trustees, ESDA, etc., that the potential was high that we would be placed in a "Watch Alert" by afternoon.

Severe Thunderstorm Watch issued by SPC at 1110 AM valid to 6 PM ALONG the Mississippi River, but did NOT include Metro Illinois Counties. Severe Thunderstorm Watch issued at 2:40 PM and valid until 9 PM (#379) DID include Metro Ill. Counties. Maintained operation from ESDA office with immediate radio contact with Swimming Pool Coord. Schultz, then on local Gov. radio frequency to Village wide broadcast, then ARES® radio NCS activation.

Severe Thunderstorm WARNING issued for NW & Western St. Clair Co. at 2:59 PM-valid until 4:00 PM as NWS St. Louis receiving reports of 60 to 70 MPH winds from long line of storms extending from Naples to near Miramiguoa Park in Mo., moving East at 55 MPH.

Severe Thunderstorm WARNING issued for ALL but extreme NW St. Clair Co. at 3:48 PM and valid until 4:45 PM as the line of severe thunderstorms continued moving east at 50 mph with reports of wind gusts to 70 mph. It was at this time Freeburg ESDA weather instruments - at 4:00 PM recorded a wind gust of 57 mph! Sustained winds stayed in the 28-35 mph range until 4:30 PM when another wind gust reached 48 mph. The ARES® ops reported County wide issues.

page 2 - July 18, 2016 Report to Mayor and Village Board

Numerous reports via ARES® (Amateur Radio Emergency Service) to Freeburg ESDA concerning tree and power outages. Telephone calls to ESDA office began reference to power outage information. All "battery" back up equipment in ESDA office functioned but upon lose of commercial AC power telephone system went down. I immediately began the disconnect of our office analog phone to place its wireless base unit on my DC to AC inverter, attached to one of our back up batteries, to restore telephone power to office. Contacted Admin. Tony T. to advise of telephone down time, but was informed that office Admin. Julie P.'s cell phone would pick up calls directed to the power plant for PW Director John T.

After the emergency lights in the office began to shut down, due to low voltage, I pulled the Municipal center's emergency generator from its building and began the connect/disconnects and started the generator. At the same time, our public works department had also restored power to the municipal center! So, I performed a "disconnect" after 15 minutes of run time. Police Chief Stan D., confirmed "damage assessment" report, in the ESDA office and I also confirmed with Admin. Tony F. of same, in the office, after a VHF radio test with Admin. Tony. It was determined that we would maintain our Admin. on the Trunked portable Starcom radio issued by the Freeburg FD to him. I stayed in the ESDA office as a relay if needed and Office Admin. Julie P. and I briefly discussed our status from the municipal center communications before we secured our operations. ESDA office placed on "standby" - all communication equipment left active, but secured at 8:30 PM to home.

F. Community Storm shelter activated during Severe Thunderstorm Warning by ESDA personnel David Antry and Mindy Foutch. ESDA member Janet Baechle, placed on standby "if" needed for shelter work. Fortunately no major structural damage required "evacuation" shelter operations, only storm sheltering operations. ESDA member PJ Gale also called in to the office for "standby" status response.

G. Maintained monitoring, beyond that of the NOAA Weather alert and County EMA page, of additional storm development, expected after midnight of July 14, 2016. Severe Thunderstorm Warnings were occurring in the SW portion of Missouri, around Springfield, Mo., but radar indicated SE movement, not NE movement. Small thunderstorms developed in area after 1 AM - only e-mail notification to Mayor and Board required on these cells as they were very small cells with wind gusts of only 20-25 mph and brief moderate rain rates.

Respectfully submitted,
Eugene Kramer

RE: Oil and Chip Maintenance
Section 16-00000-00-GM

Dear Mr. Tolan:

Please find below a summary of the bids opened and read July 5, 2016 for the above referenced project. A tabulation of bids is attached herewith for your reference.

<u>ITEM</u>	<u>CONTRACTOR</u>	<u>UNIT PRICE</u>	<u>BID</u>
1a) Bituminous Materials (Prime Coat) MC-30	Mike A. Maedge Trucking	761.10/Ton	\$2,663.85
	JTC Petroleum Co.	511.43/Ton	\$1,790.00
	The Kilian Corporation	1,095.00/Ton	\$3,832.50
1b) Bituminous Materials (Seal Coat) HFE 150	Mike A. Maedge Trucking	340.00/Ton	\$25,500.00
	JTC Petroleum Co.	292.64/Ton	\$21,948.00
	The Kilian Corporation	555.00/ton	\$41,625.00
TOTAL	Mike A. Maedge Trucking		\$28,163.85
	JTC Petroleum Co.		\$23,738.00
	The Kilian Corporation		\$45,457.50

The low bid, as submitted, is 38% below the estimated cost as projected by the Village Public Works Director and submitted by the Engineer to IDOT as part of the *Municipal Estimate of Maintenance Costs*.

A review of the winning bid submitted revealed no irregularities and all bidding requirements appear to have been satisfied. Based upon our office's review of the information now available, it is our opinion that the low bid submitted is responsive to the project requirements.

RESOLUTION NO. 16-05**A RESOLUTION FOR THE FREEBURG PARK DISTRICT
TO SPONSOR A HOMECOMING PARADE IN THE
VILLAGE OF FREEBURG**

WHEREAS, the Freeburg Park District is sponsoring a Homecoming Parade in the Village of Freeburg, which event constitutes a public purpose;

WHEREAS, this parade will require the temporary closure of Route 15 (State Street), a State Highway in the Village of Freeburg from Market Place to Hill Street

WHEREAS, Section 4-408 of the Illinois Highway Code authorizes the Department of Transportation to issue permits to local authorities to temporarily close portions of State Highways for such public purposes.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Freeburg that permission to close off State Street from Market Place to Hill Street, be requested of the Department of Transportation.

BE IT FURTHER RESOLVED, that this closure shall occur during the approximate time period between 5:30 p.m. to 7:30 p.m. on Saturday, August 20, 2016.

BE IT FURTHER RESOLVED, that this closure is for the public purpose of the Freeburg Homecoming Parade.

BE IT FURTHER RESOLVED that traffic from that closed portion of highway shall be detoured over routes with an all weather surface that can accept the anticipated traffic, which will be maintained to the satisfaction of the Department and which is conspicuously marked for the benefit of traffic diverted from the State highway. (The parking of vehicles shall be prohibited on the detour routes to allow an uninterrupted flow of two-way traffic.) The detour route shall be as follows:

North Main Street, From State Street South to High Street, West on High Street to Railroad Street, South on Railroad Street to Apple Street, East on Apple Street to Belleville, South on Belleville to Lincoln Court, East on Lincoln Court back to State Street.

BE IT FURTHER RESOLVED, that the Village of Freeburg assumes full responsibility for the direction, protection, and regulation of the traffic during the time the detour is in effect.

BE IT FURTHER RESOLVED, that police officers or authorized flaggers shall, at the expense of the Village of Freeburg, be positioned at each end of the closed section and at other points (such as intersections) as may be necessary to assist in directing traffic through the detour.

BE IT FURTHER RESOLVED, that police officers, flaggers and officials shall permit emergency vehicles in emergency situations to pass through the closed area as swiftly as is safe for all concerned.

BE IT FURTHER RESOLVED, that all debris shall be removed by the Village of Freeburg prior to reopening the State highway.

BE IT FURTHER RESOLVED, that such signs, flags, barricades, etc., shall be used by the Village of Freeburg as may be approved by the Illinois Department of Transportation. These items shall be provided by the Village of Freeburg.

RESOLUTION NO. 16-05 cont.

BE IT FURTHER RESOLVED, that the closure and detour shall be marked according to the Illinois Manual on Uniform Traffic Control Devices.

BE IT FURTHER RESOLVED, an occasional break shall be made in the procession so that traffic may pass through. In any event, adequate provisions will be made for traffic on intersecting highways pursuant to conditions above.

BE IT FURTHER RESOLVED, the Village of Freeburg hereby agrees to assume all liabilities and pay all claims for any damage which shall be occasioned by the closing described above.

BE IT FURTHER RESOLVED, the Village of Freeburg shall provide a comprehensive general liability insurance policy or an additional insured endorsement in the amount of \$100,000 per person and \$500,000 aggregate which has the Illinois Department of Transportation and its officials, employees, and agents as insureds and which protects them from all claims arising from the requested road closing.

BE IT FURTHER RESOLVED, that a copy of this Resolution be forwarded to the Department of Transportation to serve as a formal request for the permission sought in this Resolution and to operate as part of the conditions of said permission.

ADOPTED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF FREEBURG, ILLINOIS, this 18th day of July, 2016.
