

PLEASE NOTE:

- Spring Clean Up is right around the corner. It will run from Thursday, April 14th - Saturday, April 16th from 7a.m. - 7p.m. More information can be found on the website under the Village Services tab, then Trash section.

UTILITY BILLS

The Village of Freeburg bills its customers for electric, water, sewer and trash on a monthly basis. Utility bills are mailed on or around the 22nd of each month and are due the 7th of the following month by close of business (5:00pm) in order to avoid any late fees. If the due date falls on a Saturday, Sunday or legal holiday, such period will be automatically extended to include the following first business day.

Severe Weather Preparedness

- Take time to protect yourself and your family by preparing for severe weather before it strikes this spring.
- Assemble an emergency preparedness kit which should include items such as water, food, flashlight, batteries, blankets and a first aid kit.
- Keep an eye on the forecast. Lightning can strike up to 10 miles from the area in which it is raining.
- If you are outside during a tornado, do not take cover in a vehicle or highway overpass. Find a ditch or ravine, lie flat and clasp your hands behind your head to protect yourself from flying debris.
- Never touch downed power lines. Call 911 and the Village of Freeburg to report them.
- For more information, please visit our website and click Village Services, then ESDA.
