The meeting of the Public Property Committee was called to order at 6:10 p.m., on Wednesday, November 14, 2018, in the Municipal Center by Chairman Ray Matchett. Members present were Chairman Ray Matchett, Trustee Denise Albers, Trustee Mike Heap, Trustee Bob Kaiser, Mayor Seth Speiser, Village Clerk Jerry Menard (absent), Trustee Mike Blaies, Trustee Lisa Meehling, Trustee Matt Trout, Village Attorney Fred Keck, Public Works Director John Tolan, Police Chief Mike Schutzenhofer (absent), Village Administrator Tony Funderburg and Office Manager Julie Polson (absent).

POOL: A. OLD BUSINESS:

1. Pool: Public Works Director John Tolan advised the spray features at the pool will be wrapped soon.

B. NEW BUSINESS:

1. Freeburg FFA Alumni Donation Request: The committee agreed to donate a 10-day pool pass.

STREETS: A. OLD BUSINESS:

1. Approval of November 14, 2018 Minutes: Trustee Denise Albers motioned to approve the November 14, 2018 minutes and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.
2. E. Apple Street Proposed Repair: Public Works Director John Tolan has nothing to report at this time other than this will be a spring project.
3. Drainage Problem Areas (Hill Mine Rd.)/Stormwater Run-Off: John met with Fournie on the Hill Mine Road issue. They will be out next week to fix it, and John will obtain a cost sheet from him. He does not feel comfortable using Brynes and Jones to handle this project.
4. Customer Issues: John advised the clutch went out on the leaf machine. The manufacturer offered a heavier duty clutch to be installed, and we should have it back tomorrow. We are pretty caught up on leaf collection.
5. MFT/Belleville St. in front of Post Office Repair: John stated we paved today. There are a couple issues. Our guys will grade down the rock on White. They still have the gutter drain to pour on the White St. side. We will then work on the grading and sidewalks.
6. Phone System: Tony advised the committee we are working on it.

John advised the flashing stoplight was moved to Main. We will get the radar sign up on Cemetery Road as you come into town.

B. NEW BUSINESS:

1. East West Gateway Transportation Grant: Tony and Matt found out the transportation grant isn't able to be used for what TWM told us. We won't be able to use it since the collector streets have changed. This grant can be used for any paving or resurfacing of our roads. Attorney Keck has had experience with East West Gateway changing the roads.
