The meeting of the Public Property Committee was called to order at 6:35 p.m. on Wednesday, February 16, 2011, in the Municipal Center. Those in attendance were Trustee Tony Miller, Trustee Rita Baker, Trustee Mike Blaies, Public Works Director Ron Dintelmann, Assistant Public Works Director John Tolan, Village Administrator Dennis Herzing, Pool Manager Scott Schulz and Office Manager Julie Polson. Guests present: Sid LeGrand and Janet Baechle.

Chairman Tony Miller amended the agenda to have Sid LeGrand from Rhutasel & Associates heard first. Sid said there is a service transportation program grant available and the grant requires the proposed work to be done on a collector route. Dennis and Ron agreed the curve from Westview to Wolf on Kessler was an ideal area to consider. Sid stated he kept the size of the project in line with what would work well for this grant. He also provided a spreadsheet which shows the costs of the project and what fiscal year those costs would be incurred. We would need to begin the project in mid 2012 with the bulk of the construction being done in 2015. He said the grant would cover 75% of the construction costs and that engineering fees and right-of-way costs are not included in the grant funds. The cost of the project with the sidewalk was \$975,865 and the Village would be responsible for \$400,165 of that. The cost of the project without the sidewalk was \$904,265 and the Village would be responsible for \$371,915 of that. He said if we want to move forward with the project, the application needs to be turned in by February 25th. There is a grant application fee of approximately \$2500 which we would get back if we did not receive grant approval. Dennis said it is a much-needed project but is concerned that we don't know where we would come up with over \$300,000 for the project. Sid said a possible solution would be to borrow the money from another utility fund and then have the MFT fund repay the other fund over a number of years. Sid said we have until May to withdraw the grant application if we find out we don't have the funds to cover the Village portion of the project. Dennis said that will give him enough time to look over the budget and see if there is a way to come up with the \$371,000 to cover our cost of the project.

*Trustee Rita Baker motioned to recommend to the full Board the grant application prepared by Rhutasel & Associates for improvements to Kessler Road from Westview to Wolf Road with no sidewalk option be approved and submitted and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

### **POOL: A. OLD BUSINESS:**

1. Pool renovation/referendum: The applications for new lifeguards were reviewed. We received applications from Caroline Bircher, Kaylyn Nation, Elaina Mitchell and Randy Houston. At the present time, we have the following lifeguards returning to the pool this summer: Kelsey Blackwell, Dillon Czech, Molly Etling,

Amy Fournie, Rachel Harris, Hannah Lanter, Taylor Richards and Krystin Wahlig. Scott said Jake Lanter does not want to lifeguard but would be willing to clean the pool in the mornings. Scott interviewed Jillian for the position and she is still interested in being a co-manager this summer. Salaries were discussed by the committee.

*Trustee Rita Baker motioned to recommend to the full Board we hire Caroline Bircher, Kaylyn Nation, Elaina Mitchell and Randy Houston as new lifeguards this summer at a rate of \$8.25 per hour and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

*Trustee Rita Baker motioned to hire the returning lifeguards as follows:*

<i>Kelsey Blackwell</i>	<i>\$8.35</i>	<i>Dillon Czech</i>	<i>\$8.25</i>
<i>Molly Etling</i>	<i>\$8.35</i>	<i>Amy Fournie</i>	<i>\$8.35</i>
<i>Rachel Harris</i>	<i>\$8.35</i>	<i>Hannah Lanter</i>	<i>\$8.35</i>
<i>Taylor Richards</i>	<i>\$8.35</i>	<i>Krystin Wahlig</i>	<i>\$8.35</i>

*Trustee Rita Baker motioned to recommend to the full Board Jillian Rouse be hired as a co-manager at a salary of \$3,200 for the 2011 pool season and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

*Trustee Rita Baker motioned to recommend to the full Board Darren Pierce be hired as a co-manager at a salary of \$3,232 for the 2011 pool season and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

*Trustee Rita Baker motioned to recommend to the full Board Scott Schulz be hired as lead manager at a salary of \$4,444 for the 2011 pool season and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

Ron said we need to work on the valve for the baby pool. The pool will be open from May 28th - August 14th.

**B. NEW BUSINESS:** Julie passed out a donation request from St. Joseph School for their annual dinner auction.

*Trustee Rita Baker motioned to recommend to the full Board a 10-day pool pass be donated to the St. Joseph Dinner Auction and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

**STREET: A. OLD BUSINESS:**

1. Approval of January 19, 2011 minutes: *Trustee Rita Baker motioned to approve the January 19, 2011 minutes and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

2. Safe Routes to School: Dennis said it sounds like both the federal and state agencies are balking at the crosswalk light on Belleville by the school. TWM has been asked to conduct a count of how many kids cross the street and where they

cross. We can save \$600 by conducting the count ourselves. Rita volunteered to do this. Then TWM will write the report and submit it for consideration.

3. Swipe Card Access: Nothing new.
4. 709 Saxony lane request for culvert: Nothing new.
5. Leaves/limb pickup: Nothing new.
6. Welcome to Freeburg sign: Dennis will contact RuAnna Stumpf from IDOT to set up a meeting for her to come out and decide on the spot for the sign.

**B. NEW BUSINESS:**

1. 2011 MFT: Because the MFT revenue has dropped off, Dennis expects to receive a little under \$100,000 this year. He cut back on the oil and chip and also cut back on the rock and materials. Since it has been a rough winter on the roads, we are going to address the streets that are most in need of repair rather than just a certain section of town. Ron commented a couple of concrete streets in Sugar Creek and Meadowbrook need to be addressed.

*Trustee Rita Baker motioned to recommend to the full Board the 2011 Resolution for Maintenance of Streets and Highways by Municipality Under the Illinois Highway Code be approved and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

2. High school parking: Dennis said we have received a complaint from a resident that lives on Washington. He said we could consider removing some of the no parking signs from around the old doctor's office since it is vacant. Dennis and Ron will look at the signs in the area and see if they can come up with a plan.

**C. GENERAL CONCERNS:** Mike asked if the census numbers came in and Freeburg's 2010 population is 4356. We grew 12% from the last census.

**D. PUBLIC PARTICIPATION:** None.

**E. ADJOURN:** *Trustee Rita Baker motioned to adjourn the meeting at 8:02 p.m. and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.*

An

# Enchanted Evening

RECEIVED

FEB 15 2011

Dear Friends of St. Joseph School,

Join us for "An Enchanted Evening"! The PTF Organization of St. Joseph School in Freeburg, Illinois, will be hosting its 2011 Dinner Auction, on Saturday, May 7, 2011. The Dinner Auction is our largest fund raising event and is held bi-annually. Proceeds from the Dinner Auction directly benefit our school and our students. We hope we can count on you for a donation to be auctioned at this year's event. Donations can be products or services from your business, sporting event tickets, vacation homes/time-shares, sports memorabilia, jewelry, or a gift basket.

If you do not have an idea for a donation, perhaps you would consider contributing to the Cash Club. Personal shoppers are available to do the work for you! Your business will be acknowledged as a generous supporter of St. Joseph School in our "An Enchanted Evening" Dinner Auction Program. Advertising space is also available.

Proceeds from the Dinner Auction allow St. Joseph School to continue to provide high quality education at an affordable price. Please help us carry on this tradition by making a donation today. No item is too large or too small. Donations can be dropped off at the school or mailed to:

**St. Joseph Dinner Auction  
2 North Alton  
Freeburg, IL 62243**

We would like to receive all donations by Friday, April 8, 2011. If you have an item that needs to be picked up, please call Lori at (618) 539-3561 or email [office@stjosephfreeburg.org](mailto:office@stjosephfreeburg.org). We appreciate your support in creating a successful event for St. Joseph School.

Sincerely,

PTF Dinner Auction Committee

Public Property Committee Meeting  
Streets/Municipal Center/Pool/Parks & Recreation  
(Miller/Baker/Blaies)  
Wednesday, January 19, 2011 at 6:30 p.m.

The meeting of the Public Property Committee was called to order at 6:30 p.m. on Wednesday, January 19, 2011, in the Municipal Center. Those in attendance were Trustee Tony Miller, Trustee Rita Baker, Trustee Mike Blaies, Public Works Director Ron Dintelmann, Assistant Public Works Director John Tolan, Village Administrator Dennis Herzing, Pool Manager Scott Schulz and Office Manager Julie Polson. Guest present: Janet Baechle.

## **POOL: A. OLD BUSINESS:**

1. Pool renovation/referendum: Julie said the ordinance for the referendum has been filed with the county clerk for the April 5th election. We have only received 6 applications for returning lifeguards. One of the lifeguards asked to be considered for a manager position and Julie advised Marc has decided not to return as a manager this year. The committee suggested we place ads at the area high schools before we advertise in the paper. Julie will get that done. Scott and Julie will interview Jillian Rouse for the manager position. She will also have the salary information for the next committee meeting.

**B. NEW BUSINESS:** None.

## **STREET: A. OLD BUSINESS:**

1. Approval of December 15, 2010 minutes: Trustee Rita Baker motioned to approve the December 15, 2010 minutes and Trustee Mike Blaies seconded the motion. All voting aye, the motion carried.

2. Safe Routes to School: Dennis said he, Ron and John met with Marsha Maller of TWM and the preliminary drawings are done. They are pretty happy with them. Marsha is waiting on an answer from IDOT on whether the mast arm has to be moved and is concerned about the expense to move the arm if it has to be done. Ron said as part of this project, we will re-grade Karla Theis' ditch. Dennis said this project is funded by federal highway money, it will be a while before it gets started.

3. Swipe Card Access: Ron is getting updated prices for the old power plant doors.

4. 709 Saxony lane request for culvert: Nothing new.

5. Leaves/limb pickup: John said he went through town last week and said there were still several piles of leaves/limbs. Ron said they call them crap piles. They don't only contain leaves or limbs, they include gumballs, pet waste, etc. He said we have had to use the backhoe to get rid of them and are spending a lot of money by having to do it that way.

6. Welcome to Freeburg sign: Dennis and Ron looked at the area and found an ideal setting for the sign. It will be located close to the road that goes by Wilbur Smith's property. It has a streetlight close which will provide easy access to power. Dennis will contact IDOT to schedule the meeting with them to look at the location.

**B. NEW BUSINESS:**

1. Area Agency on Aging Request: This agency requested the use of the main intersection in town at Apple/Rt. 15 to host their fund raising event. Julie had Mel review the request and he recommended they place signs prior to the intersection and also wear safety vests. Request will be placed on the next board agenda.

We received a letter from IMUA advising of their annual scholarship program. Ron said in order to participate, we have to pay a \$75 donation fee. He also said this is a voluntary program and we have never participated in the past. This will also be included on the next board agenda. We also received a scholarship program from IRWA and Dennis believes that is for the Village employees. We will get that information distributed.

**C. GENERAL CONCERNS:** None.

**D. PUBLIC PARTICIPATION:** Janet had a question about the welcome sign.

**E. ADJOURN:** *Trustee Mike Blaies motioned to adjourn the meeting at 7:12 p.m. and Trustee Rita Baker seconded the motion. All voting aye, the motion carried.*

Illinois Department of Transportation policy, adopted in accordance with the provisions of the Illinois Highway Code, requires this contract to be awarded to the lowest responsive and responsible bidder. The award decision is subject to approval by the Department. In addition to all other responsibility factors, this contract or deliver and install proposal requires all bidders and all bidders' subcontractors to disclose participation in apprenticeship or training programs that are (1) approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training, and (2) applicable to the work of the above indicated proposals or groups. Therefore, all bidders are required to complete the following certification:

- I. Except as provided in paragraph IV below, the undersigned bidder certifies that it is a participant, either as an individual or as part of a group program, in an approved apprenticeship or training program applicable to each type of work or craft that the bidder will perform with its own employees.
- II. The undersigned bidder further certifies for work to be performed by subcontract that each of its subcontractors submitted for approval either (A) is, at the time of such bid, participating in an approved, applicable apprenticeship or training program; or (B) will, prior to commencement of performance of work pursuant to this contract, establish participation in an approved apprenticeship or training program applicable to the work of the subcontract.
- III. The undersigned bidder, by inclusion in the list in the space below, certifies the official name of each program sponsor holding the Certificate of Registration for all of the types of work or crafts in which the bidder is a participant and that will be performed with the bidder's employees. Types of work or craft that will be subcontracted shall be included and listed as subcontract work. The list shall also indicate any type of work or craft job category for which there is no applicable apprenticeship or training program available.

---

---

---

---

IV. Except for any work identified above, any bidder or subcontractor that shall perform all or part of the work of the contract or deliver and install proposal solely by individual owners, partners or members and not by employees to whom the payment of prevailing rates of wages would be required, check the following box, and identify the owner/operator workforce and positions of ownership.

---

---

---

---

---

The requirements of this certification and disclosure are a material part of the contract, and the contractor shall require this certification provision to be included in all approved subcontracts. The bidder is responsible for making a complete report and shall make certain that each type of work or craft job category that will be utilized on the project is accounted for and listed. The Department at any time before or after award may require the production of a copy of each applicable Certificate of Registration issued by the United States Department of Labor evidencing such participation by the contractor and any or all of its subcontractors. In order to fulfill the participation requirement, it shall not be necessary that any applicable program sponsor be currently taking or that it will take applications for apprenticeship, training or employment during the performance of the work of this contract or deliver and install proposal.

The following Special Provisions supplement the "Standard Specifications for Road and Bridge Construction", Adopted January 1, 2007, the latest edition of the "Manual on Uniform Traffic Control Devices for Streets and Highways", and the "Manual of Test Procedures of Materials" in effect on the date of invitation of bids, and the Supplemental Specifications and Recurring Special Provisions indicated on the Check Sheet included here in which apply to and govern the construction of Village of Freeeburg MFT Maintenance, and in case of conflict with any part, or parts, of said Specifications, the said Special Provisions shall take precedence and shall govern.

**SPECIAL PROVISIONS  
FOR MOTOR FUEL TAX MAINTENANCE**

Materials and operations for Bituminous Materials and Seal Coat Aggregate or Blotter Aggregate shall comply with Section 403 of the Standard Specifications except that Repair and Preparation of Base or Existing Surface under Articles 403.08 and rolling under Article 403.13 will not be required. The preparation of the surface, closing of the streets to traffic during application of the bituminous material and blotting of the excess bitumen remaining on the surface will be done by others. The grade of bituminous material shall be furnished as directed by an authorized representative of the local agency. The Seal Coat Aggregate and Blotter Aggregate shall conform to the gradations as set forth in Article 1004.03 or those shown in the Special Provision included in the proposal.

All materials must be State inspected, and it is the responsibility of the Contractor to secure the inspection and reports.

The contract for furnishing materials under this proposal will expire December 31, 2011 or as specified in the proposal.

PROPOSAL GUARANTY

Each proposal shall be accompanied by a bank cashier's check or a properly certified check for not less than 5 percent of the amount bid, or for the amount specified in the following schedule:
