

DON'T FORGET:

- Utility bills due on the 7th of the month by 5:00p.m.
- Village Office hours are 7am-5pm Mon-Fri
- Closed for Labor Day on Monday, September 7th. Trash service will be one day late that week.
- There is a bin at Village Hall where you can easily and safely dispose of old prescription drugs.

**New Freeburg Website:
www.freeburg.com**

The Village of Freeburg unveiled its new mobile friendly website earlier in the year that provides up-to-date information about all aspects of Freeburg. The Village is continuing to work with local groups and organizations to provide a true village wide Calendar of Events as well as any other information of those groups that is useful for the community and visitors.

Listed are a few of the highlights and improvements to the website:

Online Code of Ordinances: Now you can look up and view any bit of the code including building codes, street regulations, zoning code and more.

Calendar of Events: If your local group or organization has an upcoming event, please let us know and we will add it to the Calendar of Events. We hope this will help for future planning to provide groups an opportunity to avoid overlapping of events for the community.

Online Bill Pay: You can pay your utility bills online for a quick, convenient and easy option.

MAYOR'S MESSAGE:

FREEBURG MAYOR
SETH SPEISER

I want to thank and welcome everyone to the new Freeburg Bulletin. We look to utilize this quarterly bulletin to inform you of important and vital information.

One of the most crucial keys to a healthy and happy community is communication. Over the last couple years we have done our best to listen to the needs of the community and have determined that a bulletin such as this could better help connect the Village, community organizations and the residents of Freeburg.

I encourage you to take a look at this first edition and don't forget to review the back for upcoming community events. Thank you again for taking a moment to see what is happening in your community. I wish you all a wonderful summer and look forward to future editions.

Sincerely,

Seth Speiser

VILLAGE OF FREEBURG DEPARTMENT ANNOUNCEMENTS

STREETS

Annual oil and chipping will begin in late July - August.

We will also begin projects this summer using hot mix asphalt, improving the intersections of Main/High St., Peabody/Hwy 13/15 and Hill/South State St.

For updates on these projects and others please visit:
www.freeburg.com

FRONT OFFICE

Pay your utility bill by automatic withdrawal. This payment option is easy to set up and has no fees for the customer.

After hours Emergency Phone #'s

Public Works: 618-539-3112
