

Freeburg Police & Public Safety Annual Golf Scramble

It is once again time for the Village of Freeburg Police and Public Safety Annual Golf Scramble! This year's event will be held on July 16th, 2016 at Clinton Hills Golf Club. We are committed to enhancing our law enforcement program and the safety of the community of Freeburg through improving protection, education, information, and community involvement. This event was created on behalf of the police department to better protect and give back to the community it serves.

Public safety programs in Freeburg involve one of our most valuable assets, the Freeburg Police Department K9 Unit, which provides many resources to the community, including but not limited to: narcotic detection (vehicle and building), suspect apprehension, and evidence recovery. These resources are also available to the neighboring communities of Smithton, New Athens, Marissa, Millstadt, Fayetteville, Lenzburg, and any other community in St. Clair County that requests our services. In addition, our K9 Unit is available for group demonstrations.

Along with the K9 unit, the Freeburg Police Department is active in the public safety of our community through other programs as well. The D.A.R.E. program provides education to the children in our community and empowers them to live safe and healthy lives.

Generous support from partners like you have made our tournament a huge success in the past. On behalf of the Village of Freeburg Police Department, we respectfully ask for your support of this annual event, and are offering sponsorship opportunities. Your donation to this event will go towards helping to support necessary equipment and training for our department, while providing the community with the utmost safety and protection.

We are proud to offer hole sponsorship opportunities in the amount of \$100 or a dinner sponsorship of \$1,000 that will spotlight your business, organization, or group name on a sign at one of the holes throughout the golf course on the day of the outing.

We ask that Freeburg and our neighboring communities help in supporting our police department and programs like the K9 program and D.A.R.E. to continue to make our community thrive!

We are also accepting Tee Gift and Prize donations if you would like to participate in other ways as well. And, of course, we would like to invite you and / or your team to participate in this worthwhile event!
