Freeburg ESDA Report to Mayor

Village Trustees July 20, 2020

Respectfully submitted by Coord. Eugene Kramer

1. Severe Weather potential notifications sent to Mayor during the last reporting period July 9th and July 15 2020; data received from SPC and local NWS office in St. Louis
2. Obtained additional PPE items from County EMA – issued protective additional gloves from this pick up to Julie P. for issue to the Public Works Department.
3. Activated our Freeburg ESDA Public Assistance FEMA Portal # 163-UA7BE-oo – 4489DR-IL to input and request reimbursement follow up for the Village COVID19 Pandemic costs. An INVOLVED PROCESS FOR SET UP.
4. Conducted County ARES/RACES Communications – radio – exercises Tuesday evenings 6:30 pm for July 6 & 14, 2020 from ESDA office.
5. Conducted monthly Outdoor Tornado Warning tests on Tuesday July 7, 2020 in cooperation with our Public Works Department – assigned personal at each siren location for verification of proper operation.
6. Conducted monthly Village Communications (Radio) tests on our VHF FCC Licensed frequency, our Starcom CW Trunked County operated system and the IEMA Region 8 Starcom Trunked communication system. All operations started at 10 :00 AM July 7th.
7. ESDA office communications activated for the July 8th Severe Thunderstorm Warning that was issued for NW and Northern St. Clair County at 2:48 pm. NO community storm shelters were activated as this warning did NOT include our area of St. Clair County. Shelter managers were placed on “standby” only. All Communication nets were activated within and around our St. Clair County area – in particular the reports received and relayed by Freeburg ESDA from ARES operators to NWS office.

FREEBURG VILLAGE BOARD MEETING ZONING REPORT

July 20th, 2020

Matt Trout Zoning Administrator

Over the past week I spent a little time driving around checking on properties and found some new ones. We have sent out more letters informing residents of their issues along with phone calls. I will send out my nuisance properties list for the legal and ordinance meeting next week with an update.

The Combined Planning and Zoning Board will meet on July 21st to continue to make revisions to the code. On August 11th we will have the regularly scheduled Combined Board meeting with at least one hearing and possibly a couple more.

Edison Estates has started on the sanitary sewer. John and myself met out there on 7/16/20 to discuss what we are seeing. John can provide an update at Legal and Ordinance.

We continue to tweak the plan at the pool to help the pool managers run the pool. We have also started looking at 2021 while everything is fresh in our heads to make the 2021 pool season even better.

The Freeburg Police and Public Safety Golf Fundraiser is August 29th, 2020. We have started accepting teams and sponsorships for the event.

I will be out of town from July 25th through August 1st. Please let me know if you need anything for the Legal and Ordinance meeting and I will send out an update prior to leaving town.

July 1st through July 16th

The meeting of the Electric Committee was called to order at 5:30 p.m. on Wednesday, July 15, 2020 by Chairperson Mike Blaies via the Zoom application. Committee members present via Zoom were Chairman Mike Blaies, Trustee Denise Albers, Trustee Mike Heap, Trustee Lisa Meehling, Mayor Seth Speiser, Village Clerk Jerry Menard, Trustee Bob Kaiser, Trustee Ray Matchett (5:40 p.m.), Public Works Director John Tolan (5:33 p.m.), Police Chief Mike Schutzenhofer, Head Lineman Shane Krauss (absent), Water/Sewer Department Leader Gregg Blomenkamp, Zoning Administrator Matt Trout, Village Administrator Tony Funderburg and Office Manager Julie Polson. Village Hall was open to the public. No public was present at Village Hall or via Zoom.

A. OLD BUSINESS:

1. Approval of June 10, 2020 Minutes: *Trustee Denise Albers motioned to approve the June 10, 2020 minutes and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.*
2. Customer Issues: We had a 1.5 hour outage on June 26th for a car accident that took down our pole by the north power plant; a contractor dug through our primary at Meadow Pines on June 27th; and on June 30th, we had several calls for downed wires, and we replaced a transformer. Today, a pole by Dairy Queen was hit and ripped out. That was an express feeder and the power was out for a while.
3. IMEA Energy Efficiency Grant: John advised Shane provided all the information to Gary's regarding the grant. John said the solar group with IMEA met about two weeks ago. Some of northern towns want to increase the amount of solar from 2 to 3, 5 or 10% of the load. The more solar that gets on, the less the bill, and the more fixed debt will be spread out among all of us. John said we will end up subsidizing the bigger towns with their solar. John asked IMEA to calculate the costs to the villages and communities if everyone went to 3%. John commented we cannot deny anyone solar, we can only regulate them.
4. North Substation CAT Work/PLC Unit #12 Fail Repair/Replacement: John reported this has been completed, item can be taken off the agenda.
5. Unit #6 Circuit Breaker Repair: Chuck from BHM&G was here today measuring and getting everything ready. He talked to the manufacturer Monday, and the circuit breaker will be here this week. Since the deadline is August 31st, John hopes to have set next week. We need to be qualified by then. We are in jeopardy of losing our generating credits for the rest of the year if we are not up and running by that date.
6. CAAPP Permit Renewal: John advised the permit has been approved and received. Item can be taken off the agenda.

- B. NEW BUSINESS:** John advised Paden is in Alabama taking his first apprentice course. Matt, Max and Andy have completed the tests and book work and are scheduled for their final top out exam in August. Once that is completed and they reach 1,800 hours, with Shane's approval, they will be promoted to journeymen.
- C. GENERAL CONCERNS:** None.
- D. PUBLIC PARTICIPATION:** None.
- E. ADJOURN:** *Trustee Denise Albers motioned to adjourn at 5:43 p.m and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.*

The Public Works Committee Meeting was called to order at 5:45 p.m. on Wednesday, July 15, 2020, by Chairman Bob Kaiser via the Zoom application. Members present via Zoom were Chairman Bob Kaiser, Trustee Mike Blaies, Trustee Mike Heap, Trustee Lisa Meehling, Mayor Seth Speiser, Village Clerk Jerry Menard, Trustee Denise Albers, Trustee Ray Matchett, Police Chief Mike Schutzenhofer, Public Works Director John Tolan, Water/Sewer Department Leader Gregg Blumenkamp, Village Administrator Tony Funderburg and Office Manager Julie Polson. Village Hall was open to the public. No public was present at Village Hall or via Zoom.

A. OLD BUSINESS:

1. Approval of June 10, 2020 minutes: *Trustee Mike Blaies motioned to approve the June 10, 2020 minutes and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.*
2. New Sewer Plant/Sewer Loan: John advised he, Gregg, Trevor and Tony met with Burns & McDonnell to complete the design. He has received a set of plans and has reviewed them with Gregg and Trevor. They compiled a list of 46 questions on those plans and what we think we can change. He said Burns & McDonnell is pushing us a bit, and we are going to get the plans where we want them. He hopes to get a final set of plans in August and have time to review them. The EPA is running 30-45 days behind on loan document approval. John commended we are going to take our time and get it right. It will probably go out for bid sometime in October. He has also had meetings on CMOM which is almost complete. The hydraulic profile is done, they are reviewing it.

Trustee Mike Blaies motioned to recommend to the full Board Burns & McDonnell's Invoice #113084-12 in the amount of \$236,341.22 for payment and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.

3. Sewer issues: John said the fuel odor is gone. They've been checking on it the last 2.5 weeks. He will continue with repairing and lining that sewer. There was a clog on old Fayetteville Road between Lakeview and Wood view, and our machine couldn't get through it. John called in Midwest Underground to take care of that, and our guys cleaned all the way to the end of Lakeview.
4. FSH Minutes: He has a meeting with Illinois American Water on August 4th to review the emergency interconnect procedures and operation. Gregg and chad and rick SLM working on nitrification action always plan. Rick came with test machine checking system levels, got some good numbers back.

5. Old Freeburg Road Water Line: Chris Bergman has been in discussion with the railroad on a couple different issues and documentation. He is waiting to hear back from them on the last submittal.
6. Water System Study: He met with TWM at their office and reviewed the modeling of the system, what the hydrant and towers do, looking at different scenarios and phases. Phase 1 would concentrate on the high school and grade school fire flow issue. Phase 2 would address the trouble areas to convert 4" cast iron to plastic lines. We are moving forward with the East Apple sewer main replacement.

B. NEW BUSINESS:

1. TWM GIS Data Hosting and Maintenance Agreement: Tony stated the first contract was for a term of 5 years and payments of \$5,000 per year. He confirmed we do own the rights to everything. TWM is asking for a one-year extension of the contract for \$3,000. John said TWM has upgraded their system, and it was very much needed. John would like to look at other companies who do this. He would like to go with this one for one more year and research where we want to go with this. The committee agreed to extend the contract for one year.

John advised they have installed a couple of water services at Meadow Pines. The sewer lines are starting to go in at Edison Estates. The annual drinking water quality report has been completed and submitted to EPA. Gregg collected annual samples today for corrosiveness. John explained it is rated on an aggressive index. To his knowledge, we don't have any lead mains or lead services. We do have 20% asbestos cement in the mains, and our pipes should have good coating. We've never had corrosive water. There have been quite a few issues at west plant. One of the lift station pumps had a thread is stripping out. We will need to get it retapped. The dissolved oxygen meter died and we had to purchase a new one.

C. GENERAL CONCERNS: None.

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Mike Blaies motioned to adjourn the meeting at 6:01 p.m. and Trustee Lisa Meehling seconded the motion. All voting yea, the motion carried.*

Public Property Committee Meeting
 Streets/Municipal Center/Pool/Parks & Recreation
 (Matchett/Albers/Heap/Kaiser)
 Wednesday, July 15, 2020 at 6:00 p.m.

The meeting of the Public Property Committee was called to order at 6:02 p.m., on Wednesday, July 15, 2020, via the Zoom application by Chairman Ray Matchett. Members present via Zoom were Chairman Ray Matchett, Trustee Denise Albers, Trustee Mike Heap, Trustee Bob Kaiser, Mayor Seth Speiser, Village Clerk Jerry Menard, Trustee Mike Blaies, Trustee Lisa Meehling, Public Works Director John Tolan, Police Chief Mike Schutzenhofer, Zoning Administrator Matt Trout, Village Administrator Tony Funderburg and Office Manager Julie Polson. Village Hall was open to the public for this meeting. No public was present at Village Hall or via Zoom.

POOL: A. OLD BUSINESS: None.

B. NEW BUSINESS: Public Works Director John Tolan advised the water quality has been good, the pH is in line and the chlorine residuals are good.

O'Fallon pool is open, and Millstadt has only opened the splash pad.

STREETS: A. OLD BUSINESS:

1. Approval of June 10, 2020 Minutes: Trustee Denise Albers motioned to approve the June 10, 2020 minutes and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.
2. E. Apple Street Proposed Repair: Nothing new to report.
3. Drainage Problem Areas/Stormwater Run-Off: John reported with the 4 inches of rain a few weeks ago, we had a sanitary overflow at the sewer plant that was reported to EPA. We are working on West Temple between Alton and Mill replacing culverts and ditching. We have completed a couple culvert extensions for residents. We will ditch and riprap the problem area on Potter.
4. Customer Issues: See above
5. MFT: The oil dates are 8/25-8/26, with a rain date of 8/28 and 9/4. We have 20,000 gallons of oil and 2,800 of prime. The crew has been working hard on Cemetery Road, widening the road by the curve and adding to the culverts to control water. It will be oiled and chipped twice. This is our main project this summer.

B. NEW BUSINESS: Trustee Matchett asked about sidewalk repairs, and John said the area in front of Lucky Joes is finished and a few other spots as well. He doesn't have a crew available right now with Jeff and Scott working on Cemetery Road, and Buddy is mowing. He hopes to start working on the sidewalks this fall.

C. GENERAL CONCERNS: None.

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Denise Albers motioned to adjourn the meeting at 6:09 p.m. and Trustee Bob Kaiser seconded the motion. All voting yea, the motion carried.*
