ST. CLAIR COUNTY

PLUMBERS & PIPEFITTERS (SOUTHEAST) - That part of the county bordered by Rt. 50 on the North and West including Belleville.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

The meeting of the Economic Development Committee was called to order at 6:31 p.m. on Monday, April 16, 2012, in the Municipal Center. Those in attendance were Trustee Steve Smith, Trustee Rita Baker, Trustee Mike Blaies, Mayor Ray Danford, Administrator Dennis Herzing and Village Clerk Jerry Menard. Guests present: Millie Wilson and Billie Louthan.

A. OLD BUSINESS:

1. Approval of the March 16, 2012 Minutes: Not available.
2. Movie in the Park: The movie has been set for May 19th at 8:30 p.m. and Steve would like to have an organization sponsor the movie so we could get a lower price. The Village has to pay \$300 and a church organization would be \$75. Rita asked if we could use St. Joe's name and Jerry will ask Father if it's okay. We need to have St. Joe's as a backup for weather purposes. The committee agreed on the movie Hugo. They would like to reimburse Corby and Jason for their time.
3. Website: Steve questioned if we have anything on the website. Mayor Danford said there have been changes made with respect to the economic development portion of the website. All of the businesses are listed on the website and the format has changed. Mike said it has been up there for a couple of weeks. Ray said we've also added information on the coupon program. We need to get a business letter in the works to get out to all the businesses for a meeting on the program. Ray said he and Julie are setting this up so that a business can run a coupon every month for as long as they want. We are also working on the shop Freeburg first program and see what businesses what to participate in that. Steve asked if we want to put something up there on the 222-1/2 program and Ray said that is already on the website. Mike asked what the timeline was to get all this done and Ray said it depends on the Chamber and their cooperation. Ray would like to use the Chamber's email address list and put an article in the paper about the meeting. Ray said we are starting from the zero level anyway with trying to get the businesses to work together in a cooperative program like this. Steve was hoping when Shelley gave an update at the Chamber meeting about this program, business owners would come. Mike said Shelley wasn't at the last Chamber meeting. Ray said he isn't very optimistic about that from the Chamber. He said we may use the Chamber for some of their connections but that's about it.
4. 222 1/2 Program: Steve said he is placing an article in the paper about this and highlighting the key words trust, confidence, support and friendly in separate articles. Steve said when we redo the flier, he would like to update the businesses and also

incorporate the key words listed above. The committee talked briefly about how internet sales are affecting local shops and Ray said he thinks this program is the perfect way to fight that.

B. NEW BUSINESS: None.

C. GENERAL CONCERNS: The next committee meeting was scheduled for Wednesday, May 9, 2012 at 7:30 p.m.

Economic Development Committee Meeting (Smith/Baker/Blaies) Wednesday, May 30, 2012 at 6:15 p.m.

The meeting of the Economic Development Committee was called to order at 6:18 p.m. on Wednesday, May 30, 2012, in the Municipal Center. Those in attendance were Trustee Steve Smith, Trustee Rita Baker, Trustee Mike Blaies, Mayor Ray Danford and Administrator Dennis Herzing. Guests present: Millie Wilson and Billie Louthan.

A. OLD BUSINESS:

1. Approval of the May 9, 2012 Minutes: *Trustee Rita Baker motioned to approve the May 9, 2012 minutes and Billie Louthan seconded the motion. All voting aye, the motion carried.*

2. Movie in the Park: Steve said we made \$33. With the next movie, we would like to hold a movie in conjunction with the Concert in the Park on June 10th or the 24th as a backup. Ray believes we should use some of the money in our budget for advertising a movie in the Tribune. The committee decided on Happy Feet 2. They had a lengthy discussion about advertising with signs and marquees. Steve will let everyone know which day after he talks to Corby.

3. Website: Ray said we are trying to get the look of the website improved with some pictures.

4. 222 1/2 Program: Ray said he is rescheduling the meeting with the businesses until July. He would like to get their input before we move along too far on this. Mike asked if we could get any updates on new businesses coming into town or ones leaving. Dennis will ask Phil to get them that information. Rita asked about the farmer's market and Mike said with the produce pickup at the school, he doesn't know if it is such a good idea.

B. NEW BUSINESS: Ray asked Steve if he wants to re-elect a new chairperson for the committee since Steve has done it for several years. The committee agreed they don't get support from the Chamber or the businesses.

Legal and Ordinance Committee Meeting
(Annexation; Building; Zoning; Subdivision)
(Speiser/Baker/Mattern)
Wednesday, June 6, 2012 at 4:30 p.m.

The meeting of the Legal and Ordinance Committee was called to order at 4:32 p.m. by Chairman Seth Speiser on Wednesday, June 6, 2012, in the Freeburg Municipal Center. Members attending were Chairman Seth Speiser, Trustee Rita Baker, Trustee Charlie Mattern, Mayor Ray Danford and Village Clerk Jerry Menard. Guests present: Doug and Jackie Watson.

A. OLD BUSINESS:

1. Approval of May 2, 2012 Minutes: Trustee Rita Baker motioned to approve the May 2, 2012 minutes and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.
2. Status of Public Hazard Homes: Copies of the court orders in the Sheets' cases were attached awarding additional attorney fees in the amount of \$5,296.80 for the period from January 12, 2010 - December 31, 2011. Mayor Danford advised he received notification from Attorney Manion that we won our case against Helms and they have thirty days to appeal the decision. Seth had a resident approach him about a home on Pitts Street that had a motor home in its driveway using village services. There were also several derelict vehicles on the property. Seth will talk to Phil about it. Seth said he met Bill Herr and granted him a 30-day extension which will be up on June 16th. No further extensions will be granted. The gate still needs to be fixed, siding put on the back and rock put in the area where the water stands. Seth said Bill is trying to get the place cleaned up. Seth asked if we have heard anything from Leon Furtak and Ray said no.
3. Unionization: Ray said he talked to Brian Manion. Brian has sent the request that questions need to be submitted in writing.
4. Update Code Book: On hold for now.
5. Nuisance Abatement Code: Stumpf was cited for disturbing the peace but Ray said that is all he knows right now.
6. Resident complaint about dust from high school parking lot: Dennis will follow up with Lehman.
7. Political sign ordinance: The revised ordinance was presented to the committee. Seth said this ordinance shows 16 square feet and needs to be changed to 32 square feet. Ray said this ordinance seems to cover pretty much everything we talked about.

Trustee Rita Baker motioned to recommend to the full Board the Ordinance Amending Title XV, Chapter 55 of the Revised Code be approved with the change in square footage noted above be made and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.

Legal and Ordinance Committee Meeting
Wednesday, June 6, 2012

8. Illinois Video Gaming Act: Jackie and Doug Watson were present to get an update on their request to see if the Village of Freeburg will allow video gaming. Seth said Frank Heiligenstein told him over 200 municipalities have passed this including New Athens, Red Bud and Smithton. Both Seth and Rita said they did not have any problems with it. Mayor Danford said if the committee wants to do this, he would have Dennis prepare an ordinance to present at the next board meeting. There will be a couple areas in the code that will need to be revised, sections 115 and 135. Ray said the video gaming law is fairly restrictive. Jackie said you have to have an on-premises liquor license. Ray said we will probably license each machine and receive a small fee for that, and Jackie said you will receive 5% of the revenue of each machine.

Trustee Rita Baker motioned to recommend to the full Board the Village of Freeburg amend its code to allow video gaming terminals under the Illinois Gaming Act and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.

B. NEW BUSINESS:

1. St. Clair County Building Inspection Program: Seth said he had a couple concerns about this asked for Julie to get him a list of what we have right now. He could then see what their proposed changes are. Seth doesn't like the list we currently have because there are items not on there that need to be. Seth has talked to Nick about this over the past year but hasn't had time to change it. Seth said they are really going to start enforcing items as of January 1st. for example, Seth uses a house wrap that is sold by a local lumbar yard that won't be acceptable on January 1st. He also said basement walls will need to be insulated whether your basement is finished or not. He would like a week or so to meet with Nick to discuss the proposed contract. The County would like the executed contract back by July 1st. Charlie asked how other counties handle this issue and Seth said Washington County doesn't have inspections, but certain cities do like Okawville, Perry County only inspects aeration systems. Charlie said he isn't in favor of not having any inspections. Ray said we considered options before of not having the county do them but that would mean we'd have to train our own guys to do them. He is not sure he is comfortable with scrapping the inspection system altogether. Seth said he thinks inspections are good but he doesn't want it to be like O'Fallon whose inspections are very tough. Seth also said some of this stuff is state code. Seth said he will work on it this week.

Jerry asked what the fee is for a swimming pool. Seth said it is based on the cost of the project.

The meeting of the Electric Committee was called to order at 5:30 p.m. on Wednesday, June 13, 2012 by Chairman Mike Blaies. Committee members present were Chairman Mike Blaies, Trustee Steve Smith, Trustee Ray Matchett, Public Works Director Ron Dintelmann, Assistant Public Works Director John Tolan, Village Administrator Dennis Herzing and Office Manager Julie Polson.

A. OLD BUSINESS:

1. Approval of May 9, 2012 Minutes: *Trustee Steve Smith motioned to approve the May 9, 2012 minutes and Trustee Ray Matchett seconded the motion. All voting aye, the motion carried.*

2. Franchise Fee (Ameren): Nothing new.

3. Highway lighting: Nothing new.

4. HAPS: John advised he spoke with Lincoln at BHM&G and has set the testing for August 27- 29th during a high-peak time. The annual urge testing was done today and John reported everything was fine including the #6 engine. IMEA was here all day. John said the units have to run for a minimum of two hours during this test.

5. Portable Generator Replacement: Ron is working on this.

6. Fuel Cost Adjustment: Dennis hasn't done anything on this yet.

7. Arc Flash Study: Nothing new to report.

8. Spill containment/Wiegmann: We are waiting on the bid opening this Friday on the transformer quotes. Ron came up with the idea on a spare 480v transformer and has been talking to Dean on this. We are looking at different options to enable Wiegmanns to be able to read the demand in their office everyday. Ron has estimated the cost to do this project at approximately \$20,000 which includes the secondary and meter but not the transformers. We will present the bids at Monday night's board meeting so we can get the transformers ordered.

9. Safety Training: John talked to IMUA about Tyler. They don't have the new training through Lincolnland set up yet so Tyler has to go through TVPPA. He is enrolled in the pre-apprentice program and has his first lab in September. He is going to go down early and try to test out of it. The training consists of 5-6 courses and if he does 3-4 labs a year, he will be done in 2.5 years. John also has Tyler and Gregg B. enrolled in a lift station control panel trouble shooting class. There is also a webinar coming up on the new safety manual from APPA which is something we should have. IMUA will be placing a bulk order and will get a special price on them but if you participate in the webinar, you can get the manuals for \$10 each. It may be better have the linemen all participate so they can receive the training credit and manual.

10. Digger truck/demo: We are waiting on the truck.

11. Charter Agreement: Dennis received a call from the contact person at Charter but he hasn't called him back yet.
12. Work on electric poles/transformers behind grade school: Ongoing.
13. Shed: Ron drew up a couple of different plans and the committee had a chance to review them. Everyone agreed to go with the plan that showed the doors facing White Street. The public works employees like this plan the best. If we wanted to expand in the future, we could purchase additional land and put up another building. There is room to put a lean-to on the north end of the building. Ron will get prices on this now that the layout of the building has been decided.
14. Security at North Power Plant: John said we haven't had anymore problems since the security has been updated at the plant. He would like to hold off on a camera.
15. Electric lineman/Apprentice Lineman: John needs to set up the interviews.
16. Lighting on Kessler Road: This project will be done over the summer.
17. Power plant roof repair: John said he put a call into Himstedt since they haven't been out yet to repair the roof. The siren is back up and working.
18. Spreadsheet of agreements: The spreadsheet is in the packet and Julie will get the pool bonds and loan added to it as well as the digger truck.

Dennis said the Fire Department called regarding the agreement we have with them on the Opticon program. That allows the fire and police department personnel to control traffic signals when needed. Mel has not installed the equipment in the police cars. We are having some problems with the program and the Fire Department wants to split the repair costs 50/50. We don't have any record of having executed a contract on this and the Fire Department does not have a copy either. The committee agreed to have Wissher Electric come out and diagnose the problem and we will pay half of that.

B. NEW BUSINESS:

1. Request for temp electric at Sheppard benefit: We have set a temporary meter for functions out at the Market Place in year's past at no cost to the organization. The committee decided to install a temporary meter next to our transformer by the doctor's office. The organization using the meter will be charged a nominal fee of \$10.00 per day and will have to come into Village Hall prior to the event to pay for the meter use.

John said he and Ron have been working on the doghouse that houses the relays and said the roof is rusted and needs to be painted. We need air filters and motors for the exhaust fan.

C. GENERAL CONCERNS: None.

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Ray Matchett motioned to adjourn at 6:37 p.m. and Trustee Mike Blaiws seconded the motion. All voting aye, the motion carried.*
