Legal and Ordinance Committee Meeting  
(Annexation; Building; Zoning; Subdivision)  
(Speiser/Baker/Mattern)  
Wednesday, June 6, 2012 at 4:30 p.m.

The meeting of the Legal and Ordinance Committee was called to order at 4:32 p.m. by Chairman Seth Speiser on Wednesday, June 6, 2012, in the Freeburg Municipal Center. Members attending were Chairman Seth Speiser, Trustee Rita Baker, Trustee Charlie Mattern, Mayor Ray Danford and Village Clerk Jerry Menard. Guests present: Doug and Jackie Watson.

## A. OLD BUSINESS:

1. Approval of May 2, 2012 Minutes: Trustee Rita Baker motioned to approve the May 2, 2012 minutes and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.
2. Status of Public Hazard Homes: Copies of the court orders in the Sheets' cases were attached awarding additional attorney fees in the amount of \$5,296.80 for the period from January 12, 2010 - December 31, 2011. Mayor Danford advised he received notification from Attorney Manion that we won our case against Helms and they have thirty days to appeal the decision. Seth had a resident approach him about a home on Pitts Street that had a motor home in its driveway using village services. There were also several derelict vehicles on the property. Seth will talk to Phil about it. Seth said he met Bill Herr and granted him a 30-day extension which will be up on June 16th. No further extensions will be granted. The gate still needs to be fixed, siding put on the back and rock put in the area where the water stands. Seth said Bill is trying to get the place cleaned up. Seth asked if we have heard anything from Leon Furtak and Ray said no.
3. Unionization: Ray said he talked to Brian Manion. Brian has sent the request that questions need to be submitted in writing.
4. Update Code Book: On hold for now.
5. Nuisance Abatement Code: Stumpf was cited for disturbing the peace but Ray said that is all he knows right now.
6. Resident complaint about dust from high school parking lot: Dennis will follow up with Lehman.
7. Political sign ordinance: The revised ordinance was presented to the committee. Seth said this ordinance shows 16 square feet and needs to be changed to 32 square feet. Ray said this ordinance seems to cover pretty much everything we talked about.

Trustee Rita Baker motioned to recommend to the full Board the Ordinance Amending Title XV, Chapter 55 of the Revised Code be approved with the change in square footage noted above be made and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.

Legal and Ordinance Committee Meeting  
Wednesday, June 6, 2012

VILLAGE BOARD OF TRUSTEES MEETINGS ARE HELD ON THE FIRST AND THIRD MONDAY OF EVERY MONTH

8. Illinois Video Gaming Act: Jackie and Doug Watson were present to get an update on their request to see if the Village of Freeburg will allow video gaming. Seth said Frank Heiligenstein told him over 200 municipalities have passed this including New Athens, Red Bud and Smithton. Both Seth and Rita said they did not have any problems with it. Mayor Danford said if the committee wants to do this, he would have Dennis prepare an ordinance to present at the next board meeting. There will be a couple areas in the code that will need to be revised, sections 115 and 135. Ray said the video gaming law is fairly restrictive. Jackie said you have to have an on-premises liquor license. Ray said we will probably license each machine and receive a small fee for that, and Jackie said you will receive 5% of the revenue of each machine.

*Trustee Rita Baker motioned to recommend to the full Board the Village of Freeburg amend its code to allow video gaming terminals under the Illinois Gaming Act and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.*

**B. NEW BUSINESS:**

1. St. Clair County Building Inspection Program: Seth said he had a couple concerns about this asked for Julie to get him a list of what we have right now. He could then see what their proposed changes are. Seth doesn't like the list we currently have because there are items not on there that need to be. Seth has talked to Nick about this over the past year but hasn't had time to change it. Seth said they are really going to start enforcing items as of January 1st. for example, Seth uses a house wrap that is sold by a local lumbar yard that won't be acceptable on January 1st. He also said basement walls will need to be insulated whether your basement is finished or not. He would like a week or so to meet with Nick to discuss the proposed contract. The County would like the executed contract back by July 1st. Charlie asked how other counties handle this issue and Seth said Washington County doesn't have inspections, but certain cities do like Okawville, Perry County only inspects aeration systems. Charlie said he isn't in favor of not having any inspections. Ray said we considered options before of not having the county do them but that would mean we'd have to train our own guys to do them. He is not sure he is comfortable with scrapping the inspection system altogether. Seth said he thinks inspections are good but he doesn't want it to be like O'Fallon whose inspections are very tough. Seth also said some of this stuff is state code. Seth said he will work on it this week.

Jerry asked what the fee is for a swimming pool. Seth said it is based on the cost of the project.

**C. GENERAL CONCERNS:** None.

**D. PUBLIC PARTICIPATION:** None.

**E. ADJOURN:** *Trustee Rita Baker motioned to adjourn at 5:08 p.m. and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.*

The meeting of the Legal and Ordinance Committee was called to order at 5:03 p.m. by Chairman Seth Speiser on Wednesday, May 2, 2012, in the Freeburg Municipal Center. Members attending were Chairman Seth Speiser, Trustee Rita Baker, Trustee Charlie Mattern, Trustee Mike Blaies, Trustee Ray Matchett, Mayor Ray Danford, Village Administrator Dennis Herzing and Office Manager Julie Polson. Guests present: Tony Funderburg, Doug Watson, Jackie Watson, Jamie Blazier, Linda Yeager and Tammy Gauch.

*Trustee Rita Baker motioned to amend the agenda in order to hold New Business first to accommodate the guests and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.*

## B. NEW BUSINESS:

1. Ordinance Revising Games in Streets: Dennis provided a revision to the code which would now allow games in the street on dead end streets, cul-de-sacs and street stubs. The play would be restricted to an area within 100 feet of the end of the cul-de-sac or dead-end street, it would be prohibited within 100 feet of any intersection, allowed during the hours of 7:00 a.m. - sunset, children must be directly supervised by an adult parent, guardian or designee and sports equipment can't be permanently installed in the public right-of-way and portable equipment must be removed from the public right-of-way when not in use. No objections were voiced.

*Trustee Rita Baker motioned to recommend the ordinance revising Title XIII, Chapter 132, Section 132.13 of the Revised Code (Games in Streets) and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.*

2. Illinois Video Gaming Act: Jackie and Doug Watson were present to discuss the Video Gaming Act passed by the State of Illinois and their request for the Village to change the local ordinance to allow video games. Mayor Danford said the act has been passed but each village has the right to allow or not allow them. The village would receive a portion of the revenue from the video games. Jackie said the state has several restrictions that will be imposed by them. Dennis said there will be a couple of sections in our code that will need to be revised if the village agrees to allow the games. Both Ray and Dennis said they have not had an in-depth conversation with Chief Woodruff about this. Ray said the board should look at this issue and consider how it is going to impact our local standards. Jackie said as a business person, this would have a huge impact on their revenue stream. Ray said personally, he feels the state has made this standard and doesn't feel we should be any different. He is concerned about the all or nothing approach by the state and said there may be some establishments in Freeburg where he might be concerned about allowing video games. The committee directed this issue to the Personnel/Police committee meeting on Wednesday, May 9th for further discussion.

## A. OLD BUSINESS:

1. Approval of April 4, 2012 Minutes: *Trustee Rita Baker motioned to approve the April 4, 2012 minutes and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.*

2. Status of Public Hazard Homes: Dennis said Phil Sheets has been talking to Phil Berger about obtaining building permits for fixing up the Compton House. Nothing has been resolved on Sheets' payment of legal fees. Attorney Manion is working on foreclosure of his properties.

3. Unionization: Dennis said he met with the public works union yesterday. They were given the board's position as discussed. The union is going to hold a meeting to take a vote to either accept the offer or go to arbitration. They could come back with further suggestions as well.

4. Update Code Book: Dennis talked to Frank about doing the code book revision over two years. Dennis said there is money in the budget to do this.

5. Nuisance Abatement Code: Seth said Bill Herr hasn't done anything yet to clean up his property and is nearing the deadline to do so. If he doesn't complete the list of repairs, we can take him back for contempt of court. With regard to the Stumpf matter, Dennis said the police are citing him with disturbing the peace. The police put together information from the neighbors on violating the court order and Attorney Manion is going to go to court and present the case that Stumpf has disturbed the peace, violated the previous court order and is going to make a new contempt of court motion in order to get a new judge.

6. Resident complaint about dust from high school parking lot: Dennis said Andrew Lehman called and talked to Phil about this. Mr. Lehman told Phil that he had talked to Dennis about a variance on the parking lots. Dennis does not recall any conversation with Lehman about this. Dennis will follow up with Lehman.

7. Political sign ordinance: After a brief discussion, the committee agreed to have Dennis prepare the ordinance much like the previous one he presented. However, they agreed on a sign limit of 32 square feet, no signs in the right-of-way. He will have that ready at the next committee meeting.

8. Materials left out on lots: The committee discussed this topic but don't plan to address it at the present time.

9. Class C Liquor License language revision: Dennis provided the proposed ordinance revision. He said paragraph B, #1 is all the current language in our code and #2 is the new language added. This revision was done to clarify liquor stores holding a class c license can stay open 24 hours but only sell liquor during the established time limits.

*Trustee Rita Baker motioned to recommend to the full Board the ordinance amending Title XI, Chapter 115 of the Revised Code (Alcoholic Beverages) be approved and Trustee Charlie Mattern seconded the motion. All voting aye, the motion carried.*

**C. GENERAL CONCERNS:** None.

# Illinois Video Gaming

The Purpose Of This Presentation Will Focus On The Aspect Of Video Gaming In Illinois. This Includes A Summary Of The Video Gaming Act, Benefits Of Video Gaming, And What It Could Mean To Your Local City.

We Understand That In Performing Your Fiduciary Responsibility As A Village Board Member You Must Take Into Consideration The Possible Advantages and Disadvantages To Video Gaming.

Enacted on July 13, 2009, The Video Gaming Act legalizes the use of Video Gaming Terminals in liquor licensed establishments including bars, restaurants, truck stops, and certain fraternal and veterans organizations.

The Video Gaming Act will help pay for the 2009 Capital bill

The Illinois Gaming Board has jurisdiction over and must supervise all gaming operations governed by the Act. Accordingly, the Board has all powers necessary and proper to fully and effectively execute the provision of the Act.

All Video Gaming Terminals Must Meet Standards Developed By An Independent Testing Laboratory, In Accordance With Criteria Set Forth In The Act And Illinois Gaming Board (IGB) Rules.

The Video Gaming Terminal And Devices Must Be Connected To A State-Managed Central System Very Similar To The Illinois State Lottery, Which Already Monitors Over 7,500 Terminals And Has Been In Operation For Over 30 Years. The State Will Control And Monitor The Integrity Of Each Terminal And The Financial Data From Every Business Involved.

The Act Will Eliminate So-Called “Gray Games” That Operate Across The State Without Any Oversight. Nearly 20,000 “Games Of Amusement” Licensed By The State And An Additional 40,000 Unlicensed Games, Will Be Outlawed.

Establishments With Licensed / Regulated Video Gaming Terminals Are Restricted To Bars, Truck Stops and Meeting Places For Fraternal and Veterans’ Organizations That Have A “On-Premise” Liquor License. Locations Are Not Allowed Within 1,000 Feet Of Any Casino, Riverboat Casino, Racetrack or OTB, or Within 100 Feet Of Any School Or Place Of Worship. Local Communities Would Remain In Total Control Over Liquor License Approval ultimately allowing the local community to control the number of video gaming terminals in their city.

All Manufacturers, Distributors, Terminal Operators and Establishments Must Be Licensed By The IGB and Submit To Background Checks By The IGB In Conjunction With State And Local Police, Including:

Any Individual, Trust, Partnership, Or Corporation Seeking A License, As Well As Each Individual Who Is A Beneficiary, Partner or Stockholder With More Than A Five Percent Equity Share, Must Submit to Background Checks.

## The Video Gaming Act

Supplies Approximately 30% Of The State's \$31 Billion Capital Plan That Will Help Support An Estimated 439,000 Jobs Over The Next Five Years. Therefore, Communities Like Yours Directly Benefit From The Video Gaming Act As Part Of The Capital Projects Plan.

Guarantees Municipalities Will Receive A Significant Portion Of The Tax Revenue Generated In Their Community With No Restrictions On Its Use.

The State Will Collect A Tax Of 30% On The Net Terminal Income, 1/6 Of Which Will Remain Under Local Control For Local Priorities. 5% Of Video Gaming Receipts Collected In A Community Remain Under Local Control For Local Priorities. (30% Total Tax = 25% state / 5% local)

For Each Establishment With The Maximum Number Of Five Machines, A Municipality Could Generate An Estimated \$11,500 In Tax Revenue Per Year Per Machine.

Currently, The IGB Is In The Process Of Licensing Manufactures, Terminal Operators, Distributors, Suppliers and Locations. With the heaviest focus now on Locations as majority of Manufactures, Terminal Operators, Distributors, Suppliers they have completed the licensing process with.

The State Has Selected And Contracted With Scientific Games To Provide The Central Communication System That Will Link All The Terminals

The Estimate Go-Live date is August 1, 2012 which has been confirmed by both Scientific Games and the IGB.

The VGT System Is Meant To Be Deployed In Small, Local Businesses And It Provides A Chance For The Entire Business Market To Benefit And Expand  
These Additional Revenues Put Legal, Audited Money Into The Local Economy Which Provides The Best Way For Economic Growth To Take Place  
The Audited System Assures The Government Not Only Receives Its Share Of The Revenues But The Retailer Pays The Proper Taxes On Their Share – **Promotes A Culture Of Accountability That Does Not Exist Today**

Based On The Video Gaming Impact Study Performed By Arduin, Laffer and Moore For The Illinois Legislature They Determined That Terminals In Illinois Could Average Approximately \$126 Net Terminal Income Per Day (That Is Daily Profit Per Terminal After Payout To Players).

There Are Over 10,000 Liquor License Establishment Located In Illinois That Will File For An Establishment License.

Now That The IGB Has Issued The Establishment Application It Is Important Not To Put Your Local Establishment At A Disadvantage By Letting Them Fall Too Far Down The List.

Many Of These Local Businesses That This Project Is Intended For Are Struggling To Stay Open. This Would Provide, Not A Windfall, But A Means To Keep Businesses Going.

This Project Provides The Ability For Local Business To Maintain And Create Additional Jobs.

Many Of These Local Businesses Support Their Communities In Many Ways. This May Include But Not Limited To Sponsorships For Local Sports Programs, Park District Community Events, Community Festivals, Clubs etc.

Many fear the lottery is immoral and the religious communities usually oppose to gaming. However, since the Video Gaming Act contemplates a conversion of the Gray Machines to the official economy and control and regulation by the IGB, the State, as a whole, including the Religious Community, should lend their support to this project. In most states and jurisdictions in the US, it is not unusual for religious organizations to initially oppose the establishment of a Video Lottery Games. However, in the majority of cases, once these organizations are fully educated and understand the potential long-term financial benefits to community, educational and youth organizations, they diminish their opposition.

Increase in gambling can lead to an increase in crime. There is no concrete evidence of a correlation between state regulated and controlled lottery gaming and increased crime.

It has long been established that permitting state sanctioned lotteries provides an opportunity for government's to impose a tax on the willing, that is, to impose a tax on those who elect to play these games. For example, the states of Pennsylvania and Maryland recently implemented slots and other lottery games to reduce additional state taxes on its people.

The Video Gaming Act is the only form of legalized gaming in Illinois that specifically earmarks funds to address treatment for problem gaming.

**Regulated and Controlled** - Video Gaming Is A Regulated And Controlled Industry That Is Not Tainted By Criminal Association And The Proceeds Of Gaming In Illinois Fund Legitimate Expenses Of The State And Local Municipalities.

**Supports Local Business** – Local Small Businesses Are The Backbone Of The Economy. This Is Even More True In Small Towns Where The Majority Of The Jobs Are Created. Many Of These Business Today Are On The Brink Of Bankruptcy. Video Gaming Will Provide Much Needed Support. This Will Help Maintain Jobs and Create Additional Positions.

**Revenue** – Provides Accretive Revenue To Local Governments Without The Burden Of Additional Capital Expenditures Or Monitoring Costs.
