The meeting of the Legal and Ordinance Committee was called to order at 5:30 p.m. by Chairperson Mike Heap on Wednesday, September 25, 2019, in the Freeburg Municipal Center. Members attending were Chairperson Mike Heap, Trustee Denise Albers, Trustee Ray Matchett, Trustee Lisa Meehling, Mayor Seth Speiser, Village Clerk Jerry Menard, Trustee Mike Blaies, Trustee Bob Kaiser, Zoning Administrator Matt Trout, Chief Mike Schutzenhofer, Public Works Director John Tolan, Village Administrator Tony Funderburg, Village Attorney Fred Keck and Office Manager Julie Polson (absent). Guest present: Janet Baechle.

A. OLD BUSINESS:

1. Approval of August 28, 2019 Minutes: Trustee Denise Albers motioned to approve the August 28, 2019 minutes with corrections and Trustee Lisa Meehling seconded the motion. All voting yea, the motion carried.
2. Zoning Report/Nuisance Properties: Zoning Administrator Matt Trout issued 9 occupancy permits; 5 building permits which included 2 mobile homes, 2 new homes and 1 shed. Matt has sent out the nuisance property report.
3. Meadow Pines/Edison Estates Subdivisions: Regarding Meadow Pines, there is one person living out there, and one spec home is almost done. They are talking about starting the next couple of phases and putting 5 spec homes out there. Matt advised they are trying to figure out how everything is going to work within the elevations at Edison Estates. Matt spoke with Tim Pruett today regarding the fiber line and confirmed it is within the easement.
4. Code Revisions/Legal Review: Nothing new to report.
5. Bill's Auto Service: Chairperson Heap advised he and Matt recently visited Bill. He has shown some really good improvement, and Chairperson Heap believes we have gotten our message across that this needs to continue. We will continue to monitor this situation.
6. Purchase of 310 W. Washington: Village Administrator Tony Funderburg confirmed the property has been purchased. We are waiting for the deed to finalize that part of the process. We will then bid the demolition of the home.

B. NEW BUSINESS:

1. IML Municipal Cannabis Business Prohibition and Zoning Ordinances: Attorney Keck said there is only one lounge in the state of Colorado that is functioning. He found out the National Institute of Business does not provide dram shop insurance for marijuana coverage. He believes this will regulate this itself. With the new law, we will be the most regulated state with regard to the disbursement of the actual marijuana itself. There won't be any open shop areas to purchase the cannabis, it will be kept in an evidence locker. As a board, we need to make a decision on whether or not we are going to authorize a recreational dispensary to be allowed as a permitted use in Freeburg. If we do want to move forward with this, we would pass the retail occupational tax up to 3%. It can be zoned however we want, and there is a

limit of 3 of them in Freeburg. Maryville, Collinsville and Sauget have said yes. Edwardsville and O'Fallon have said no. Attorney Keck believes the general consensus is for these dispensaries to be placed near interstates and easily accessible locations since there are only going to be 50 licenses issued initially. Attorney Keck advised the state is estimating between \$11,000,000 - \$19,000,000 sales at each location. With a 3% sales tax on \$10,000,000 that is \$300,000 in sales tax revenue. The committee discussed our zero tolerance policy regarding drug use and the new law won't allow it. Tony said the law state a person can't be impaired. We don't have any specific level that states when they are impaired. Attorney Keck thinks we can make our collective bargaining agreements supersede that. Naperville Police are on a test pilot for saliva testing but there has not been any adopted, approved test. If allowed, this would bring an increase in traffic to Freeburg. Attorney Keck said the most repetitive question asked is the next step recreational use everywhere? He believes in the years to come, many of the regulations will be relaxed, and those decisions will be made on a state level. Tony stated the federal law as it is currently written, still says it is illegal. He will email everyone the frequently asked question booklet provided by IML.

The park board would like to use Village Hall for their meeting place. Tony will keep us informed.

C. GENERAL CONCERNS: None.

D. PUBLIC PARTICIPATION: Janet asked what time they can start construction in the morning and Mayor Speiser advised 6:00 a.m.

E. ADJOURN: *Trustee Lisa Meehling motioned to adjourn at 6:08 p.m. and Trustee Denise Albers seconded the motion. All voting yea, the motion carried.*

The meeting of the Legal and Ordinance Committee was called to order at 5:30 p.m. by Chairperson Mike Heap on Wednesday, August 28, 2019, in the Freeburg Municipal Center. Members attending were Chairperson Mike Heap, Trustee Denise Albers, Trustee Ray Matchett, Trustee Lisa Meehling, Mayor Seth Speiser, Village Clerk Jerry Menard, Trustee Mike Blaies, Trustee Bob Kaiser, Zoning Administrator Matt Trout, Chief Mike Schutzenhofer, Public Works Director John Tolan, Village Administrator Tony Funderburg, Village Attorney Fred Keck and Office Manager Julie Polson.

A. OLD BUSINESS:

1. Approval of July 24, 2019 Minutes: *Trustee Lisa Meehling motioned to approve the July 24, 2019 minutes and Trustee Denise Albers seconded the motion. All voting yea, the motion carried.*
2. Zoning Report/Nuisance Properties: Zoning Administrator Matt Trout issued 11 occupancy permits; 9 building permits which included 2 carports/garages, 1 home addition, 1 new home, 1 pool with a fence, 1 cell tower antenna upgrade and 3 electric permits. A nuisance property report was provided to everyone. Matt advised we have a resident that met with Trustee Albers and Village Administrator Tony Funderburg today about having chickens on their property. They have a nonverbal, autistic son, and their therapist said an animal might help him open up. They have since found out that he enjoys taking care of chickens. It helps him have a purpose and gets him out of the house. The parents are willing to do whatever is needed to work this out. They have talked to the neighbors, and they are okay with it. Trustee Albers feels we need to do what we can to help them. Tony would like for them to provide the doctor's report but advised them we cannot make up the law. Village Attorney Fred Keck suggested having them request a special use permit. He does not see anything preventing us from allowing this, but they need to go through the proper process.
3. Meadow Pines/Edison Estates Subdivisions: Regarding Meadow Pines, they are pouring driveway/sidewalks on one house, and another one is ready to move in. Matt asked Tim Pruett of Rhutasel to contact MCI regarding their easement. John pointed out there are 5 - 6 homes where those utility services are going to have to cross the easement.
4. Code Revisions/Legal Review: Nothing new to report.
5. Bill's Auto Service: Trustee Albers spoke with Bill this morning. He has only gotten rid of one truck. She advised him this has to be cleaned up by the end of the year, and the entire board is in agreement. Matt will meet with him tomorrow concerning the state of his rental property.
6. IML Conference: Nothing new to report.
