The meeting of the Public Property Committee was called to order at 6:17 p.m., on Wednesday, January 13, 2021, by Chairman Ray Matchett via the Zoom application. Members present were Chairman Ray Matchett, Trustee Denise Albers, Trustee Mike Heap, Trustee Bob Kaiser, Mayor Seth Speiser, Village Clerk Jerry Menard, Trustee Mike Blaies, Trustee Lisa Meehling, Public Works Director John Tolan, Village Attorney Fred Keck, Zoning Administrator Matt Trout, Village Administrator Tony Funderburg and Office Manager Julie Polson. Village Hall was open to the public, and there were no guests present: Guest present via Zoom: Janet Baechle.

**POOL: A. OLD BUSINESS:** None.

**B. NEW BUSINESS:** Tony will be looking at increasing the prices at the pool with minimum wage increasing.

**STREETS: A. OLD BUSINESS:**

1. Approval of December 16, 2020 Minutes: Trustee Denise Albers motioned to approve the December 16, 2020 minutes and Trustee Bob Kaiser seconded the motion. All voting yea, the motion carried.
2. E. Apple Street Proposed Repair: Nothing new to report.
3. Drainage Problem Areas/Stormwater Run-Off: Public Works Director John Tolan reported he has a crew working at SAVE site on the edges which are washing out quite a bit. The crew is working the shoulders to get the water to drain off. We completed some ditching on Dewey and Temple.
4. Customer Issues: John said we have some issues with the curb and guttering on Milford, Southgate, and Saturn Terrace. The gutters are heaving up, and John believes the trash truck is a large amount of the problem. They removed the curb and gutters from the bad areas and filled them in with rock. They will replace the curb and gutter in the spring. John said we really need to look at replacing all the curb and gutters in the next few years. He is not sure how to do this in Saturn Terrace because of the mine subsidence. Village Administrator Tony Funderburg doesn't know how we can afford curb and gutters anywhere. Tony advised we recently met with Waste Management and advised them we are not happy with the drivers so close to the edge. We are working on that and hope to provide more information soon.
5. MFT: John said we will start on the 2021-2022 MFT soon. Tony believes this funding should be in good shape.

John advised Ameren retired the gas service at our property on 2 N. Railroad. He needs to scrap some items and will be close to tearing it down.
