Public Property Committee Meeting
Streets/Municipal Center/Pool/Parks & Recreation
(Niebruegge/Smith/Pruett)
Wednesday, October 15, 2014 at 6:30 p.m.

The meeting of the Public Property Committee was called to order at 6:30 p.m. on Wednesday, October 15, 2014, in the Municipal Center. Those in attendance were Chairperson Elizabeth Niebruegge, Trustee Steve Smith, Trustee Dean Pruett, Mayor Seth Speiser, Village Clerk Jerry Menard, Trustee Matt Trout, Trustee Ray Matchett, Public Works Director John Tolan, Village Administrator Tony Funderburg and Office Manager Julie Polson. Guest present: Janet Baechle.

POOL: A. OLD BUSINESS: Public Works Director John Tolan advised the pool is now closed.

B. NEW BUSINESS: Village Administrator Tony Funderburg finished the grant for the pool pavilion. The Park District is going to deed the land to us.

STREETS: A. OLD BUSINESS:

1. Approval of September 10, 2014 Minutes: Trustee Steve Smith motioned to approve the September 10, 2014 Minutes and Trustee Dean Pruett seconded the motion. All voting yea, the motion carried.
2. Safe Routes to School: Tony said this project is going back out for bid in January. If we want the \$200,000 to do this project, we would need to spend about \$40,000 - \$45,000. We could use MFT funds. Mayor Speiser recently met with Senator Clayborne and Representative Jackson who advised they are going to try and get Freeburg some grant money which we could use on this project.
3. MFT/Ditch on N. Main: John met with Rhutasel and they are working on getting the survey done for Main St. We need to move the easement by Randy Kasper's house over a little. John asked Rhutasel to review the Netemeyer flow calculations and also to do their own.
4. Drainage Problem Areas/Southgate Drive/Huelsman: John said Rhutasel is working on the Huelsman drainage issue.
5. Shady Lane Dispute: Tony advised Attorney Manion is still working on this.
6. Cemetery Road: Tony has nothing new to report.

7. Village Park Gazebo: Tony said we are scheduled to build the gazebo this Saturday, October 18th at 8:00 a.m. We have a very good group of people to build it and also asked for volunteers. Refreshments will be provided. We plan to hold a Veteran's Day ceremony on November 11th at 2:00 p.m.
8. Grant opportunities: Tony is looking for any grants to write.
9. Welcome to Freeburg sign price: We will continue to work on this over the next year. We will have to budget more than \$5,000 for this. Item can be taken off the agenda.

B. NEW BUSINESS:

1. Leaf pickup: John said leaf pickup will begin on October 27th. He is going to have some signs made up that can be placed in the area where leaf pickup will be the Friday before collection begins. John talked to other communities and they pick up pine needles and gum balls. He is thinking about offering that as long as they are bagged. He also commented the residents liked having a drop off place for leaves. He discussed possibly doing that again at the old sewer plant as long as they were bagged. At this time, he is just thinking about it.
2. Picnic tables for Village Park: Tony provided a quote for an extremely sturdy picnic table that we can anchor down. Trustee Pruett asked if the high school could build a metal table and Wiegmanns could powder coat it. The committee decided to purchase 2 tables but not powder coat them. We could then ask the high school to build the tables and put those at the Village Park and move the others to the pool pavilion.
3. JULIE 2015 Member Contribution: A copy of next year's estimated costs was provided for the committee's information. The price went up about \$300 from last year.
4. Donation Collection Time Limit: Nothing new to report.
5. Freeburg Elementary School 5K Run/Walk Family Wellness Night: The committee discussed the request and agreed to grant it pending our suggested changes.

Trustee Dean Pruett motioned to recommend to the full Board approval of Freeburg Elementary School's 5K Run/Walk on November 1, 2014 starting at 5:00 p.m., using St. Joseph's route, and a volunteer police officer present during the run and Trustee Steve Smith seconded the motion. All voting yea, the motion carried.

6. Celebrate My Drive – FCHS: Tony stated this program offers the opportunity for Freeburg high school students to win a concert from the Band Perry for making safe driving commitments. The program is sponsored by State Farm and Tony said the communities with board support seem to do very well.

C. **GENERAL CONCERNS:** John reported street sweeping is done, they are going to seal the cracks in Lone Oak and Timberwolf subdivisions, we will be brush mowing along the rural roads, Dale Recker ordered 450 tons of salt, and also work being done on alleys, sidewalks and culverts.

D. **PUBLIC PARTICIPATION:** None.

E. **ADJOURN:** *Trustee Steve Smith motioned to adjourn the meeting at 7:07 p.m. and Trustee Dean Pruett seconded the motion. All voting yea, the motion carried.*

2. Safe Routes to School: John met with Rhutasel to discuss options on lowering the costs of this project. We could put in the sidewalk around Motomart and would have to obtain a special permit to haul off the dirt. If we get approval to do that, we could then re-bid the project.
3. MFT/Ditch on N. Main: We are receiving an additional \$32,000 in MFT funds. John would like to cut out the areas on Main St., Peabody Road and Hill St., then pay someone to pave them for us.

5. Shady Lane Dispute: John received a call from Mrs. Lockett who is very unhappy with the Village getting Shady Lane ready to be oiled and chipped. John explained the road is ours and we are going to maintain it.

To whom it may concern,

We are submitting a route proposal for a 5K run/ Walk Family Wellness Night that we would like to have on Saturday, November 1, 2014. The run will start and finish on the blacktop parking lot at Freeburg Middle School. Freeburg Elementary School Wellness Committee is excited about providing a fun and healthy way for students and their families to celebrate healthy habits and physical health together. Our two running clubs at the school, Girls on the Run (3rd – 5th grade girls) and Let Me Run (3rd – 5th grade boys) will also be volunteering at this event in a joint effort with the Wellness Committee for a Community Service Project.

We plan on having 2 adults at each intersection wearing a reflective vest and a flashlight to monitor traffic and runners/walkers. We are providing each runner/walker with a glow in the dark necklace and bracelet for added safety.

We would need a policeman at N. Main/ State Street intersection to stop traffic when runners are coming through and a policeman directing traffic at East Apple/ State Street intersection when runners/walkers are coming through.

We will be very glad to add on any additional things needed to create a fun and safe environment. Thank you so much for your consideration. We are so excited to provide this fun event for the community. We look forward to hearing from you soon.

Sincerely,

Jane Range (618) 604-8558

FCHS Has Chance to Win Big with Celebrate My Drive®

Teens from Freeburg Community High School who commit to safe driving have the chance to bring award-winning superstar sibling sensation The Band Perry to Freeburg for a private concert this coming school year.

As part of the State Farm Celebrate My Drive® program, the company is teaming up with The Band Perry to encourage safe driving in high schools across the U.S. and Canada. Last year, more than 6.3 million safe driving commitments were made through this program. Celebrate My Drive® promotes responsible driving practices like 2N2®: two eyes on the road and two hands on the wheel.

Administrators at Freeburg Community High School have registered to participate in the celebration. *Teens and members of the community can commit to safe driving once a day, every day from October 15-24 in support of their favorite high school.* Two grand prize-winning schools will receive a private concert from The Band Perry. The 100 high schools with the most online safe driving commitments will win a grant award of \$25,000 or \$100,000.

"We have such great memo-

ries of when we first got our driver's licenses, and we love that Celebrate My Drive® is such a positive program that supports new teen drivers," said members of The Band Perry. "Teen driver safety continues to be a major issue, and this program gives us a platform to spread the word and encourage safe driving in teens' first years behind the wheel. It's a privilege to partner with State Farm to shed light on this important issue and hopefully help save lives."

"Everyone in the community is encouraged to go to www.celebratemydrive.com to register everyday from October 15-24 to give FCHS the best chance of winning one of these great prizes," stated State Farm agent Kryz Jacobs. "A concert by The Band Perry or one of the monetary grants would be a big boon for our small school. Our students and their supporters in the community can help make the school better while bringing awareness to teen driver safety."

The Celebrate My Drive® program engages teens and the adults who influence them to have supportive and positive conversations about safe driving. Sadly, for more than 30 years, car crashes have been the leading cause of teen deaths.

Safe Drive Initiative

The countdown is on as we near the largest teen driver safety celebration across North America – Celebrate My Drive®. Our high school is registered!

During National Teen Driver Safety Week, our high school is participating in Celebrate My Drive® and we'd like to invite your support! Freeburg High School is participating in the program because teen driver safety is important to us and our school will have a chance to win a \$100,000 grant from State Farm®! We could also win one of two hometown concert events by GRAMMY Nominated The Band Perry.

But we need your help.

You can make a safe driving commitment once a day, every day, between October 15 and 24, 2014. The more safe driving commitments we make, the better our school's chance of winning \$100,000 and hosting a concert. It's simple:

- Log onto celebratemydrive.com
- Indicate you want to support (school name)
- Commit to drive safely!

You can also invite your friends and family to get involved or share on Facebook — facebook.com/CelebrateMyDrive.

Thanks for your support! Remember, 2N2®: 2 eyes on the road, 2 hands on the wheel. Make your daily commitment at celebratemydrive.com

Be sure to join the conversation on social media by using #CelebrateMyDrive and #SafeDriving or by tagging @CelebrateMyDrive. Let's start the school year off right with safe driving!
