To Whom it may concern:

I am writing on behalf of my friend Lindsey Herbeck and her daughter, asking for any assistance that you might be able to provide. Lindsey was diagnosed with Stage IV Cervical cancer that has metastasized to the peritoneum in her abdominal cavity and lymph nodes. This is taking a toll on her family financially. Lindsey is one of the most generous, kind-hearted people I know and she would do anything to help those around her. She is more than deserving of our support as I know if the tables were turned she would do the same for me.

Lindsey is a single mother of a thirteen-year-old daughter, Lexi, she is an amazing young lady because of her mom. She is the 2017 President of the Beta Club for the State of Illinois, serves on the student council, is a member of the school band and flag team and also manager of the girl's basketball team. Lindsey devotes herself to her family and making sure while she is going through treatment to keep life as normal as possible for them.

On January 13, 2017, a benefit will be held for Lindsey Herbeck. This benefit will help support Lindsey and her family through this difficult time. The money raised will go towards her medical bills and daily expenses. The benefit will include a trivia night and silent auction. We are asking for your assistance in contributing to this event, either in the form of money, or through a donated item that could be auctioned off.

If you are willing to donate to this cause feel free to use EIN: 82-3391358 for Fight for Lindsey for your charitable donation. We need all donations in by January 5, 2018.

If you have any questions please contact Tara Rea (618) 795-3802. Donations can be sent to:

Guests present: Janet Baechle, Mike Heap, Aaron Klemme and Steve Woodward (6:22 p.m.).

POOL: A. OLD BUSINESS:

1. Pool: Village Administrator advised the playground has been delivered and will hopefully be installed soon. Public Works Director John Tolan confirmed we will wrap the spray features again this year.

B. NEW BUSINESS:

1. St. John the Baptist Donation Request: See below.
2. FCHS Music Booster Association Donation Request: Trustee Matt Trout motioned to approve a 10-day pass for the St. John the Baptist and also the FCHS Music Booster Association Donation Requests and Trustee Dean Pruett seconded the motion. All voting yea, the motion carried.

Trustee Dean Pruett motioned to amend the agenda in order to hear Public Participation and Trustee Denise Albers seconded the motion. All voting yea, the motion carried.

Mr. Klemme was present to discuss his Meadow Pines Development. He stated the biggest issue is the connection to Bozeman Lane and wanted to know what can be done if Mr. Braun does not agree to the land swap. Tony stated he and Trustee Pruett met with Mr. Braun but no future meetings were set up. Trustee Blaies stated he would like for us to exhaust all options with Mr. Braun before discussing eminent domain. Tony confirmed that is a very long, expensive process. Mike Heap is concerned about the road connecting, he feels there are too many lots for that area, cited the Wolf Road situation and the increase in traffic going through the subdivision. Tony confirmed the preliminary plat did pass last night. Steve Woodward feels it needs to be pursued as far as it can be to get it passed. Tony and Dean will try to meet with Mr. Braun again this week.

STREETS: A. OLD BUSINESS:

1. Approval of October 11, 2017 Minutes: Trustee Dean Pruett motioned to approve the October 11, 2017 minutes and Trustee Matt Trout seconded the motion. All voting yea, the motion carried.
2. E. Apple Proposed Streetscape Project: Tony advised the ITEP grant was for sidewalks and lighting and nowhere in the grant does it fix a road. At this point, we are going to hold off on that grant for now. John advised there is another grant that we are looking into. Tony found a possible grate used in Millstadt and John did look at it. We will keep working on a solution to fix the road.
3. MFT/Ditch on N. Main: Item can be taken off the agenda.

4. Drainage Problem Areas (E. Apple/Hill Mine Road)/Stormwater Run-Off: Tony took pictures of the water issue on Hill Mine Road, and talked to Attorney Keck about it. We will prepare a letter and hand deliver it to the school.
5. Customer Issues: Nothing to report.
6. IDOT Concerns: We received a letter from IDOT addressing our concerns. Tony is not sure what work they have done.
7. Second Annual 5K Run for FCHS Foundation: The committee was fine with the request.

John advised they are still working on Main St. He talked to Moore Asphalt and they feel confident we can get it done before winter. Leaf pickup is in full swing. John stated that Charter messed up Kessler Road. They came out and fixed it, but he is going to keep an eye on it. John also said he is glad that we held our line as far as the pavement requirements for Meadow Pines. We are not the only town that has that requirement in their code.

B. NEW BUSINESS: None.

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Dean Pruett motioned to adjourn the meeting at 7:03 p.m. and Trustee Matt Trout seconded the motion. All voting yea, the motion carried.*
