Dear Friend of St. John's,

On behalf of the St. John the Baptist Catholic School Parent, Teacher and Friends Organization, I invite you to support for our upcoming auction event. On **March 2, 2019**, we will be hosting our **Luck of the Irish Dinner Auction**, which includes a catered dinner, silent auction, and a live auction. This auction is the primary fundraising event for St. John the Baptist Catholic School. Our school serves children age 3 all the way through the 8th grade in Smithton and surrounding communities. St. John the Baptist is strongly rooted in the community and has been able to provide quality parochial education for over 150 years. Our faculty and staff are caring, meet the individual needs of our students, and prepare students to be successful in the future. Our organization is hosting this event for the purpose of raising funds allowing us to continue our top notch educational programs at St. John the Baptist Catholic School.

Please consider supporting our auction with a donation of goods, services or gift certificates. The financial success of our event truly depends on donations from businesses in our community such as yours. In exchange for your tax-deductible gift, your business will receive excellent community exposure and positive advertising. We will be happy to list you in our auction publications, on our school's Facebook page, and on the auction website. This year, we are pleased to be working with GiveSmart, a mobile auction bidding site, giving us the ability to feature you on our unique, intimate, and interactive platform. Your logo will be displayed with links to your website in addition to your branded logo being featured at the top and bottom of every page, and mixed within the auction items to give you maximum exposure.

If you are able to help, please fill out the enclosed auction donation sheet and return it to us with your donation. Do not hesitate to call with any questions, or to arrange pick up of any larger donation items.

Thank you for opening your hearts and sharing your resources. The unique educational opportunities we offer are only possible with the support of generous businesses and individuals like you. May God bless you for your support of St. John's students.

Sincerely,

Mary Alvarez

The meeting of the Public Property Committee was called to order at 6:10 p.m., on Wednesday, November 14, 2018, in the Municipal Center by Chairman Ray Matchett. Members present were Chairman Ray Matchett, Trustee Denise Albers, Trustee Mike Heap, Trustee Bob Kaiser, Mayor Seth Speiser, Village Clerk Jerry Menard (absent), Trustee Mike Blaies, Trustee Lisa Meehling, Trustee Matt Trout, Village Attorney Fred Keck, Public Works Director John Tolan, Police Chief Mike Schutzenhofer (absent), Village Administrator Tony Funderburg and Office Manager Julie Polson (absent).

POOL: A. OLD BUSINESS:

1. Pool: Public Works Director John Tolan advised the spray features at the pool will be wrapped soon.

B. NEW BUSINESS:

1. Freeburg FFA Alumni Donation Request: The committee agreed to donate a 10-day pool pass.

STREETS: A. OLD BUSINESS:

1. Approval of November 14, 2018 Minutes: Trustee Denise Albers motioned to approve the November 14, 2018 minutes and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.
2. E. Apple Street Proposed Repair: Public Works Director John Tolan has nothing to report at this time other than this will be a spring project.
3. Drainage Problem Areas (Hill Mine Rd.)/Stormwater Run-Off: John met with Fournie on the Hill Mine Road issue. They will be out next week to fix it, and John will obtain a cost sheet from him. He does not feel comfortable using Brynes and Jones to handle this project.
4. Customer Issues: John advised the clutch went out on the leaf machine. The manufacturer offered a heavier duty clutch to be installed, and we should have it back tomorrow. We are pretty caught up on leaf collection.
5. MFT/Belleville St. in front of Post Office Repair: John stated we paved today. There are a couple issues. Our guys will grade down the rock on White. They still have the gutter drain to pour on the White St. side. We will then work on the grading and sidewalks.
6. Phone System: Tony advised the committee we are working on it.

John advised the flashing stoplight was moved to Main. We will get the radar sign up on Cemetery Road as you come into town.

B. NEW BUSINESS:

1. East West Gateway Transportation Grant: Tony and Matt found out the transportation grant isn't able to be used for what TWM told us. We won't be able to use it since the collector streets have changed. This grant can be used for any paving or resurfacing of our roads. Attorney Keck has had experience with East West Gateway changing the roads.

C. GENERAL CONCERNS: None.

D. PUBLIC PARTICIPATION: None.

E. ADJOURN: *Trustee Bob Kaiser motioned to adjourn the meeting at 6:21 p.m. and Trustee Mike Heap seconded the motion. All voting yea, the motion carried.*

Subject: stop signs

Would like to make both intersections on Belleville Street between the Village Park/post office - 4 way stops. I personally and many public work employees have almost been hit from vehicles going through stop signs on Belleville St.

Very low visibility with buildings close to the street.

Plus these intersections will be rock until the streets around the park are finished with the upgrades.

Also with being a park it doesn't hurt to slow them down. Especially before and after school.

Please put on the Streets agenda to discuss.

Mike, please take a look at the intersections and voice your opinion to the board at street committee.

Thanks,

JT
