RE: Freeburg Pool Renovations – Phase I

Doug,

We are in receipt of your punch list dated May 8, 2013.

All items 1 thru 15 have been completed. The wading pool was inspected by IDPH and passed inspection. It opened on June 19, 2013. All items on the EDM punch list have been completed also.

Please note, on your list for deviations from original contract documents the following items:

1. Installed 3" posts on fencing (Not 2½")
2. Installed rip-rap at the outfall pipe with fabric
3. Installed 1" backflow preventer and additional piping and copper fittings and valves for the potable and non-potable water lines from existing pump room
4. Ran separate 1" piping to yard hydrants (non-potable) and separate 1" piping to potable piping
5. Installed separate valves and piping in new pump house for potable and non-potable piping

Enclosed are the following documents:

1. Warranties for shingles (Tamko)
2. Warranties for siding (James Hardie)
3. As-built drawings
4. Operation and maintenance manuals (Electrical)
5. Operation and maintenance manuals (Mechanical)  
Copy of transmittal dated 10-23-2012 given to Dennis Herzing on this date.
6. AIA Document G704-2000 Certificate of Substantial Completion

This concludes all items on punch list and we will be submitting all final Lien Waivers and a final invoice for this project.

Sincerely,

Mark Davinroy  
President

Public Property Committee Meeting  
Streets/Municipal Center/Pool/Parks & Recreation  
(Niebruegge/Smith/Pruett)  
Wednesday, July 17, 2013 at 6:30 p.m.

The meeting of the Public Property Committee was called to order at 6:31 p.m. on Wednesday, July 17, 2013, in the Municipal Center. Those in attendance were Chairperson Elizabeth Niebruegge, Trustee Steve Smith, Trustee Dean Pruett, Mayor Seth Speiser, Village Clerk Jerry Menard, Public Works Director John Tolan, Village Administrator Tony Funderburg and Office Manager Julie Polson. Guest present: Janet Baechle.

## POOL: A. OLD BUSINESS:

1. Pool: John said we are not ready to close out this project. His main issue is the problem with the caulking. Once Davinroy is back in town, he will set up a meeting where all the parties can be present and review the punch list.
2. Caregiver pass: We will decide what we want to do about this before next season. We also talked about putting pictures on the season passes.

## B. NEW BUSINESS:

1. Health Department Inspection Report: John said the Health Department came out a while back and gave suggestions on how to properly maintain the concession stand. They inspected the stand on June 24<sup>th</sup> and we passed with no violations.
2. Chairs for Pool: Tony found some sturdy Adirondack-styled plastic chairs at Lowes - \$17 or Walmart - \$12. He would like to purchase some for the splash area with the revenue received from video gaming. The committee agreed with the request not to exceed \$400.
3. Summary of Pool Revenue: Summary sheets from 2011 and 2013 to date were provided.

## STREETS: A. OLD BUSINESS:

1. Approval of June 19, 2013 minutes: Trustee Steve Smith motioned to approve the June 19, 2013 minutes and Trustee Dean Pruett seconded the motion. All voting aye, the motion carried.
2. Safe Routes to School: Administrator Funderburg stated the Main Street project is moving quickly. Steve said we need to check the grant because he thinks the Main St. grant includes replacing the sidewalk from Main St. to Richland on W. St. Clair. John said we obtained the easement from Hoffarths to

Street Committee Meeting Minutes  
Wednesday, July 17, 2013

Page 1 of 3

VILLAGE BOARD OF TRUSTEES MEETINGS ARE HELD ON THE FIRST AND THIRD MONDAY OF EVERY MONTH

complete the culvert work which should make that whole area drain better. John said TWM has had a guy out there the entire time and appreciates that very much. We have a pay request from each SRTS project to submit for payment.

*Trustee Steve Smith motioned to recommend to the full Board we pay Rhutasel & Associates' Invoice #5 in the amount of \$3,662.77 for the SFTS project and Trustee Dean Pruett seconded the motion. All voting aye, the motion carried.*

*Trustee Steve Smith motioned to recommend to the full Board we pay TWM's Invoice #49828 in the amount of \$4,820.11 for the SFTS project and Trustee Dean Pruett seconded the motion. All voting aye, the motion carried.*

3. Welcome to Freeburg Sign: Tony talked to Mark White about the cost of the signs. He cannot match the lower price. Tony would like to start over, get the correct design and possibly bid it out. Mark said if we construct the sign with the foam, it won't hold up as long as we would want it to.
4. MFT: John said the guys are preparing Westview, Koesterer and Turkey Hill Lane for the MFT work this year. He is also going to include 4 alleys.
5. Drainage Problem Areas: John said we had reworked Emily Street and another resident is complaining. She wants curb and gutter. He will go out and look at the situation again. He talked to John Harryman about the Carpenter situation. Carpenters are getting all of the runoff from Helms' field. Harryman told John if we reroute that drainage, he would sue us. He is going to meet with Harryman and discuss several drainage problem areas because Harryman has some ideas about them. John has Netemeyer's suggestions on the drainage problem areas and he will try to address them once the SFTS project on Main St. is complete.
6. Shady Lane Dispute: Tony is waiting on Gale Hake to complete their work.
7. Cemetery Road: Nothing new.
8. Picnic tables at the park: John will order the tables.
9. Street banners: Seth will talk to Sheila about this
10. Vehicle inventory: Nothing new.
11. E. Emily Curb Request: See number 5 above.
12. Huelsman Request: John talked to Bobby Huelsman and said we are going to work with them on this but there is no money in this year's budget.
13. Crew Worker Position: Interviews are scheduled for July 24<sup>th</sup> and August 5<sup>th</sup>.
14. Sidewalk repairs: John said we need to create a priority list of the sidewalks that need repairs and address them when we can. Elizabeth suggested using

some of the proceeds from video gaming for sidewalk repairs. We will combine this with the Complete Streets item under new business tonight.

**B. NEW BUSINESS:**

1. Resident Request for Drainage Problem on Southgate: John said we've looked at this problem several times. There is poor drainage at the curve on Southgate and it would involve doing work on private property. He said it is not an easy fix and would require the cooperation of the affected homeowners.
2. Resolution for Homecoming Parade: Julie said this is the standard resolution used for the homecoming parades.

*Trustee Steve Smith motioned to recommend to the full Board the Homecoming Parade Resolution for approval and Trustee Dean Pruett seconded the motion. All voting aye, the motion carried.*

3. Complete Streets: Tony attended the seminar on Complete Streets. IDOT and many other communities are endorsing this program. In order to participate in this program, we should adopt the resolution which will help obtaining grant money. as a community, we need to think about how to help our residents get to different places in the community safely.
4. IDNR Response to Drainage Problem on Saxony Lane: We have not heard anything else from Rynders since our response to his FOIA request. His culvert needs to be enlarged to handle the drainage.
5. Stop Signs at Emily/Cherry, Emily/Vine, St. Clair/Belleville and Mill/Cherry: The committee was fine with the recommended stop sign additions and Tony will prepare an ordinance for the next board packet.

**C. GENERAL CONCERNS:** Tony said we have a concern over the stoplight on Route 15 and Oakbrook Dr. The light sequence needs to be changed as well as the timing of the light. He will call IDOT and start the discussions with them. Also, he received a request from Lighthouse Learning Center to put, "no parking between signs," in their drop off area. Renters from the nearby apartments are blocking the entrance. We will take that request to the next police committee meeting.

**D. PUBLIC PARTICIPATION:** Janet wants a bike path from the bus garage into town. Steve looked into sidewalks from the subdivisions on Freeburg Douglas Road into town but it would be well over the \$200,000 grant.

**E. ADJOURN:** *Trustee Steve Smith motioned to adjourn the meeting at 7:22 p.m. and Trustee Dean Pruett seconded the motion. All voting aye, the motion carried.*

Public Property Committee Meeting  
Streets/Municipal Center/Pool/Parks & Recreation  
(Niebruegge/Smith/Pruett)  
Wednesday, June 19, 2013 at 6:30 p.m.

The meeting of the Public Property Committee was called to order at 6:41 p.m. on Wednesday, June 19, 2013, in the Municipal Center. Those in attendance were Chairperson Elizabeth Niebruegge, Trustee Steve Smith, Trustee Dean Pruett, Trustee Matt Trout, Mayor Seth Speiser, Village Clerk Jerry Menard, Public Works Director John Tolan, Village Administrator Tony Funderburg and Office Manager Julie Polson. Guests present: Bobby and Georgia Huelsman and Janet Baechle.

*Trustee Steve Smith motioned to amend the agenda in order to hear Public Participation first and Trustee Dean Pruett seconded the motion. All voting aye, the motion carried.*

Bobby and Georgia Huelsman presented their case to the board regarding the poor storm water drainage affecting their property. They had made previous attempts to the Village in 2000 and 2008 to have the situation addressed and stated there was no resolution to their problem. Georgia said the culvert is in worse condition than before and believes the stormwater easement encroaches on their property. She stated the plat that was recorded is not how it really looks out there. Mayor Speiser asked if a bigger culvert will fix the problem and Public Works Director John Tolan said no, a second culvert may be the answer. John acknowledged the culvert can't handle the water flow. He also said if we do add a second culvert, we need to see if that will put the water onto the neighbor's land across the street. John will talk to Rhutasel and have Harryman get them the flow calculations.

Janet Baechle said the trash trucks are tearing up the alleys and asked if they could collect trash from in front of the homes. John said it is easier to maintain the alleys and advised the Village has started oiling and chipping them on a yearly basis through the MFT program.

## **POOL: A. OLD BUSINESS:**

1. Pool: The baby pool opened today and there were a ton of kids there. John met with Davinroy and EWR regarding the outstanding issues. He would still like to have a startup manual for the pool. He said the swim team is happy with the items they wanted addressed. We have applied for a \$19,000 St. Clair County Parks grant for shade structures at the pool. Tony is looking into umbrellas that can be set in the concrete.

## B. NEW BUSINESS:

1. Accident Report: We had three accident reports included in the packet. Of note, an ambulance was called to the pool at the parent's request when an umbrella snapped and hit her child in the arm. Child was examined at the pool and no further medical attention was required.
2. Caregiver Pass: Julie brought up the idea of a caregiver pass to make it easier on families with babysitters to afford the pool. She suggested \$20 for a caregiver pass. Obviously the caregiver could only use that pass when bringing the kids to the pool.

## STREETS: A. OLD BUSINESS:

1. Approval of May 15, 2013 minutes: *Trustee Steve Smith motioned to approve the May 15, 2013 minutes and Trustee Dean Pruett seconded the motion. All voting aye, the motion carried.*
2. Safe Routes to School: Administrator Funderburg stated HM Backhoe should be starting the work any day now. John reported the hydrant has been moved out of the way. Tony and John met with Karla Thies about a culvert on her property. If we move the culvert from the original location, we would need to obtain an easement from Karla. She would pay for the culvert to the end of her property. They will work on this. Steve said he hasn't heard anything on the other SRTS project. Julie said someone from IDOT was out checking on underground tanks in the area.
3. Welcome to Freeburg Sign: tony said Phillips could build the sign but it does not include any lettering and is very plain looking. He found a company where the sign better represents Freeburg and is more aesthetically pleasing. He will go back to Phillips and show them what the other company can do and see if Phillips can match it.
4. MFT: The acceptance forms for the low bids were in the packet for approval. John said the dates for oiling and chipping have been scheduled for August 21<sup>st</sup> and 22<sup>nd</sup>.

*Trustee Dean Pruett motioned to recommend to the full Board Beelman Logistics' bid in the amount of \$8.49 per ton for the CA6 Crushed Stone, \$9.99 per ton for the CA16 Seal Coat Aggregate CA16/CM16 Limestone and \$12.24 per ton for the Crushed Stone CA11/CM11; Mike Maedge Trucking's bid in the amount of \$2.0719 per gallon for the Bituminous Materials HFE150 be approved and Trustee Steve Smith seconded the motion. All voting aye, the motion carried.*

5. Drainage Problem Areas: John said we reworked Emily Street and it is in much better shape. Janet asked about Alton Street and John said it is on the list to do. Seth brought up the area on Railroad and John will take a look at it.
6. Shady Lane Dispute: Tony is getting the deeds from the County tomorrow and we can start working on getting the land transfer done. John said they trimmed the trees and laid some rock.

7. Cemetery Road: Frank gave Tony the contact information for the County employee handling this.
8. Picnic tables at the park: We will check the budget to see if we can get these ordered from Kohnen.
9. Street banners: Seth is going to bring this up at the next Chamber meeting to see if they want to work with us on this project.
10. Vehicle inventory: Julie needs to work on adding the rest of our inventory, i.e. backhoe, sewer machine, etc.
11. E. Emily Curb Request: See number 5 above.
12. Pickers on Wheels: Item can be taken off the agenda.

**B. NEW BUSINESS:**

1. Huelsman Request: See public participation above.
2. Crew Worker Position: Tony said we are getting together Monday to review the applications that were submitted.

**C. GENERAL CONCERNS:** Trustee Trout is concerned about the sidewalk on Vine Street. His wife and child took a nasty spill due to the poor condition of the sidewalk. John said a couple of years ago, the Village started replacing sidewalks and try to do the most critical ones first. We do have more money in this year's budget to repair sidewalks. Tony said there are grants available for ADA sidewalks. We'd like to start with the inner part of town and work our way out from there. Elizabeth has been out walking and making notes of sidewalks that need attention.

Village Clerk Menard asked if we have the pool employees drug tested. At the present time, we do not. If we are going to test the part-time employees, they should be included. We may need to send out a consent form for any employee that is under 18 years old.

Trustee Pruettt asked about placing stop signs at Emily/Vine and Emily/Cherry. We will take the request to the next Police committee meeting.

**D. PUBLIC PARTICIPATION:** See above.

**E. ADJOURN:** *Trustee Steve Smith motioned to adjourn the meeting at 7:56 p.m. and Trustee Dean Pruettt seconded the motion. All voting aye, the motion carried.*

RE: Excessive Water on City Street  
332 Southgate Dr.

City Manger:

Excessive amounts of water collects on the street at the corner of 332 Southgate Dr. every time it rains. It appears the street should have been constructed at a higher elevation.

The water sitting on the street is very unsightly. But more important, in winter months, the water freezes and it becomes a big sheet of ice that covers the whole corner of the street.

The ice is a safety hazard for motorists and pedestrians, especially since it is at the corner of the street where motorists are making a 90 degree turn.

Since the street was constructed and is maintained by the city of Freeburg, I have written this letter to bring this matter to your attention.

Thank you.

Sincerely,

  
Larry A. Hoffman

**RESOLUTION NO. 13-10**

**A RESOLUTION FOR THE FREEBURG PARK DISTRICT  
TO SPONSOR A HOMECOMING PARADE IN THE  
VILLAGE OF FREEBURG**

WHEREAS, the Freeburg Park District is sponsoring a Homecoming Parade in the Village of Freeburg, which event constitutes a public purpose;

WHEREAS, this parade will require the temporary closure of Route 15 (State Street), a State Highway in the Village of Freeburg from Market Place to Hill Street

WHEREAS, Section 4-408 of the Illinois Highway Code authorizes the Department of Transportation to issue permits to local authorities to temporarily close portions of State Highways for such public purposes.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Freeburg that permission to close off State Street from Market Place to Hill Street, be requested of the Department of Transportation.

BE IT FURTHER RESOLVED, that this closure shall occur during the approximate time period between 5:30 p.m. to 7:30 p.m. on Saturday, August 17, 2013.

BE IT FURTHER RESOLVED, that this closure is for the public purpose of the Freeburg Homecoming Parade.

BE IT FURTHER RESOLVED that traffic from that closed portion of highway shall be detoured over routes with an all weather surface that can accept the anticipated traffic, which will be maintained to the satisfaction of the Department and which is conspicuously marked for the benefit of traffic diverted from the State highway. (The parking of vehicles shall be prohibited on the detour routes to allow an uninterrupted flow of two-way traffic.) The detour route shall be as follows:

North Main Street, From State Street South to High Street, West on High Street to Railroad Street, South on Railroad Street to Apple Street, East on Apple Street to Belleville, South on Belleville to Lincoln Court, East on Lincoln Court back to State Street.

BE IT FURTHER RESOLVED, that the Village of Freeburg assumes full responsibility for the direction, protection, and regulation of the traffic during the time the detour is in effect.

BE IT FURTHER RESOLVED, that police officers or authorized flaggers shall, at the expense of the Village of Freeburg, be positioned at each end of the closed section and at other points (such as intersections) as may be necessary to assist in directing traffic through the detour.

BE IT FURTHER RESOLVED, that police officers, flaggers and officials shall permit emergency vehicles in emergency situations to pass through the closed area as swiftly as is safe for all concerned.

BE IT FURTHER RESOLVED, that all debris shall be removed by the Village of Freeburg prior to reopening the State highway.

BE IT FURTHER RESOLVED, that such signs, flags, barricades, etc., shall be used by the Village of Freeburg as may be approved by the Illinois Department of Transportation. These items shall be provided by the Village of Freeburg.

**RESOLUTION NO. 13-10 cont.**

BE IT FURTHER RESOLVED, that the closure and detour shall be marked according to the Illinois Manual on Uniform Traffic Control Devices.

BE IT FURTHER RESOLVED, an occasional break shall be made in the procession so that traffic may pass through. In any event, adequate provisions will be made for traffic on intersecting highways pursuant to conditions above.

BE IT FURTHER RESOLVED, the Village of Freeburg hereby agrees to assume all liabilities and pay all claims for any damage which shall be occasioned by the closing described above.

BE IT FURTHER RESOLVED, the Village of Freeburg shall provide a comprehensive general liability insurance policy or an additional insured endorsement in the amount of \$100,000 per person and \$500,000 aggregate which has the Illinois Department of Transportation and its officials, employees, and agents as insureds and which protects them from all claims arising from the requested road closing.

BE IT FURTHER RESOLVED, that a copy of this Resolution be forwarded to the Department of Transportation to serve as a formal request for the permission sought in this Resolution and to operate as part of the conditions of said permission.

ADOPTED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF FREEBURG, ILLINOIS, this 5th day of August, 2013.

SUBJECT: Alleged Dam Construction  
Village of Freeburg

RECEIVED

JUN 21 2013

Mr. Mark Rynders  
708 Saxony Lane  
Freeburg, Illinois 62243

Dear Mr. Rynders:

It has come to the attention of this office that a dam has been constructed on your property. It is our understanding that you are responsible for this work.

Pursuant to the Rivers, Lakes and Streams Act (615 ILCS 5), the Illinois Department of Natural Resources, Office of Water Resources (IDNR/OWR) exercises jurisdiction over the construction, operation, and maintenance of dams. Due to the fact that the roadway immediately downstream of the outlet is the sole access to other residences, the dam is provisionally classified by this office as a Class II (significant hazard potential) structure. Accordingly, an IDNR/OWR permit will be required for its continued operation and maintenance (3702.30b)).

For your consideration, if computations were performed demonstrating that a catastrophic breach of the dam would not result in an overtopping of the downstream roadway, we could re-evaluate the hazard classification and permit requirements. Pursuing this option would require the services of a professional engineer.

Upon receipt of this letter please contact this office so that an appropriate course of action can be established. If you have any questions please contact me at 217/558-6617.

Sincerely,

Jerry Bishoff, P.E., CFM  
Senior Permit Engineer

## **DRAFT Complete Streets Resolution**

Last updated: 6/25/2013

WHEREAS, "Complete Streets" are defined as streets that are designed to accommodate all users of all abilities, including motorists, pedestrians, bicyclists, and transit riders;

WHEREAS, "Complete Streets" will vary depending on the surrounding land uses and densities and its general context, however street and transportation plans should always be guided by the principle that streets should promote multiple transportation options for all people;

WHEREAS, "Complete Streets" are an important component of economic development and community development by helping create walkable and vibrant communities, which attract and retain businesses and residents, and allow for the option to safely walk or bicycle to school, work, parks, or other community destinations;

WHEREAS, "Complete Streets" can play an important role by reducing pedestrian and bicyclist conflicts, reduce traffic congestion, improve air quality both by promoting alternative forms of transportation and by helping improve traffic flow;

WHEREAS, the people of the Village of Freeburg have expressed a desire and need for walking and bicycling options;

WHEREAS, the design and construction of new facilities should anticipate future demand for bicycling, walking, and other alternative transportation facilities and not preclude the provision of future improvements;

WHEREAS, more than four hundred other jurisdictions and agencies nationwide have adopted Complete Streets policies, including the United States Department of Transportation, the Illinois Department of Transportation, and numerous communities;

WHEREAS, "Complete Streets" are supported by the Institute of Transportation Engineers, American Planning Association, US Conference of Mayors, and other planning and public health professionals;

NOW THEREFORE be it resolved by the Village of Freeburg that:

1. The Village of Freeburg will strive, where practical and economically feasible, to incorporate "Complete Streets" elements into all transportation projects in order to provide appropriate accommodation for bicyclists, pedestrians, transit users and persons of all abilities, while promoting safe operation for all users, in comprehensive and connected networks in a manner consistent with, and supportive of, the surrounding community.
2. The Village of Freeburg, recognizing that this resolution is a first step, shall develop and adopt a comprehensive "Complete Streets" policy to support and ensure the implementation of Section 1 above.

3. The Village of Freeburg shall coordinate with St. Clair County, Illinois Department of Transportation, and related advisory and community organizations to develop implementation strategies, which may include revising and updating processes, policies, procedures, design and construction manuals, and other guidance to assist in this resolution's implementation.
