

Hello.

We are putting on an event for the Susan G. Komen Breast Cancer Foundation.

We are **Barb Brueggeman** and **Laurie Kuklinski**.

We are both from Freeburg and are both breast cancer survivors.

Since one in eight women experience some type of breast cancer, we all know someone who has been touched by this disease.

We are hoping you can be part of our important fundrasier.

Our event will be on Sunday, Oct 20, 2024. Rain or shine.

It will be at the Freeburg Recreational Park, from 10 am to 4 pm.

We are having a **car cruise, food trucks and a band**.

We will advertise our sponsors on flyers, in the Freeburg Tribune, on social media and on a banner at the event.

We are asking donors to either cover an expense of the fundraiser or donate directly to Komen. Donations directly to Komen are tax deductible. Komen tax ID 75-1835298

Other donations could be an item we will use as an attendance prize during the car cruise.

Checks can be made out to Laurie, Barb or Komen.

We appreciate any and all donations to this worthy cause.

Thank You,

The "Mammo-Grammies"
