PUBLIC WORKS DIRECTOR
John Tolan

POLICE CHIEF
Michael J. Schutzenhofer

ESDA COORDINATOR
Eugene Kramer

ZONING ADMINISTRATOR
Matt Trout

VILLAGE ATTORNEY
Weilmuenster & Keck, P.C.

The Public Works Committee Meeting was called to order at 5:53 p.m. on Wednesday, July 11, 2018, by Chairman Dean Pruett. Members present were Chairman Dean Pruett, Trustee Mike Blaies, Trustee Mike Heap, Trustee Lisa Meehling, Mayor Seth Speiser, Village Clerk Jerry Menard (absent), Trustee Denise Albers, Trustee Ray Matchett, Village Attorney Fred Keck, Public Works Director John Tolan, Water/Sewer Department Leader Gregg Blomenkamp, Police Chief Mike Schutzenhofer, Village Administrator Tony Funderburg (absent) and Office Manager Julie Polson. Guests present: Janet Baechle.

A. OLD BUSINESS:

1. Approval of June 13, 2018 minutes: Trustee Lisa Meehling motioned to approve the June 13, 2018 minutes and Trustee Mike Blaies seconded the motion. All voting yea, the motion carried.
2. New Sewer Plant: Public Works Director John Tolan advised he has met with five firms, TWM, Crawford, Murphy & Tilly, Farnsworth Group, Burns and McDonnell and Horner & Shifrin, and conducted plant tours. They are all topnotch firms, and we are going to have a very hard decision to make. He welcomed anyone to sit in on the future meetings.
3. Sewer issues/Sewer Main Jack's Car Wash: John stated the issue behind Kent Heap's home has been fixed and is very happy with it. He met with Jim Feurer, and it turned out to be a different issue than what he thought. His floor drain goes to the corner of the ditch, and TWM had installed an inlet in front of Will Fischer's old house. Jim asked about the flapper valve. John stated Tony told him we would put check valves in there. He will verify that TWM. If they are in, they are the homeowner's responsibility to check it and fix it. We had an overflow at the west plant with that big rain, and it was reported to EPA. He also advised the new trunk line sewer is working well.
4. FSH Minutes: John advised he has been having problems with the water levels in the towers. He said the night the storm came through, SLM got hit with lightning and FSH lost their generator. Work was done on the pressure regulator, so the towers are getting back to normal.
5. W. Apple St./Schiermeier Road/Old Freeburg Road Water Lines: John advised he is going to locate the whole project for Old Freeburg Road for TWM this week. This way, everything can be noted upfront. We are moving towards surveying, and then onto design and bidding.
6. Private Sewer at Potter/West Street: Nothing new.
7. East and West Tower Work: See #4.

Water/Sewer Committee Meeting
Wednesday, July 11, 2018
Page 1 of 2

- B. NEW BUSINESS:** John said with the tower issues, he is having some communication failures, and WDA Automation is going to replace the PLC in his office. His old PLC will go out to the SAVE site pump station. He will be able to monitor the tower levels from his office. He also advised that he, Shane and Matt met with Alex Klemme yesterday, and they look ready to move forward. Shane requested a service letter from them, so he can order parts in preparation of the work on the subdivision starting this summer. He wanted a commitment in writing. With the water, we've agreed that they will put in the streets and stormwater system. The homeowner will be responsible to pay the tap on fees and we will install the water service. John also commented that he is very happy with our new employee Trevor.
- C. GENERAL CONCERNS:** None.
- D. PUBLIC PARTICIPATION:** None.
- E. ADJOURN:** *Trustee Mike Blaies motioned to adjourn the meeting at 6:10 p.m. and Trustee Lisa Meehling seconded the motion. All voting yea, the motion carried.*

Julie Polson,
Office Manager
